Zen Ties

Rush pulls you headlong into the thrilling, high-stakes world of Eve Silver's teen series *The Game*, about teens pulled in and out of an alternate reality where battling aliens is more than a game—it's life and death. Eve Silver's teen debut offers science fiction and gaming fans romantic thrills at a breakneck pace. New York Times bestselling author Kelley Armstrong says, "Smart and original, *Rush* is an action-packed ride with plenty of heart." Sixteen-year-old Miki Jones's carefully controlled life spirals into chaos after she's run down in the street, left broken and bloody. She wakes up fully healed in a place called the lobby—pulled from her life, pulled through time and space into some kind of game in which she and a team of other teens are sent on missions to eliminate the Drau, terrifying and beautiful alien creatures. There are no practice runs, no training, and no way out. Miki has only the guidance of secretive but maddeningly attractive team leader, Jackson Tate, who says the game is more than that and what Miki and her new teammates do now determines their survival—and the survival of every other person on this planet. She laughs. He doesn't. And then the game takes a deadly and terrifying turn.

The Further Adventures of Rush Revere

This stylish atlas features key moments of American history in an innovative format, with each die-cut spread building on the last as more states are added to the union, culminating in a modern-day map of America. From the 1700s through today—one layer at a time—it's filled with dates, facts and historical figures.

Star Spangled Scandal

A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code.

See, I Told You So

A beautifully illustrated collection of new Doctor Who stories, each featuring one of the twelve Doctors on a festive adventure in the TARDIS. Written by six authors and with a full-page colour illustration for each story, these tales are full of magic, mystery, wonder, excitement - and everything else that fans love about a Doctor Who Christmas special.

Guns, Freedom, and Terrorism

IT'S THE DAWN OF AN IMPORTANT NEW DAY IN AMERICA. YOUNG READERS, GRAB THE REINS AND JOIN RUSH REVERE, LIBERTY THE HORSE, AND THE WHOLE TIME-TRAVELING CREW IN THIS PATRIOTIC HISTORICAL ADVENTURE THAT TAKES YOU ON AN EXCITING TRIP TO THE PAST TO SEE OUR REMARKABLE NATION'S MOST ICONIC SYMBOLS UP CLOSE AND PERSONAL! "Rush Revere here, along with my chatty horse, Liberty! Wait a minute . . . Liberty? Where did he go?" "Reporting for duty, Captain Revere!" "Liberty, where did you get that spinach smoothie?" *Slurp* Well, he certainly didn't get it from 1787—that's where we're rush, rush, rushing off to next with our enthusiastic young friends in the Time-Traveling Crew (but not before causing a major security incident at the National Archives in Washington, D.C.!) A funny case of mistaken identity and a wild chase through the busy streets of Philadelphia will lead us to the famously introverted Father of our Constitution, James Madison, and the heated secret debates over the Constitution and the Bill of Rights. Fast-forward a few years, and we'll help his brave wife, Dolley, risk her life to save an important portrait from the White House as the British set Washington afire! What greater symbol of our exceptional nation's hard-won freedoms than the Star-Spangled Banner, sewn by American icon Betsy Ross? Perhaps Francis Scott Key can explain what inspired him to pay tribute to our glorious flag by writing our beautiful national anthem. But watch out for the bombs bursting in air, because when we reach 1814, we'll be front and center at a major battle to defend our liberty. Jump back in the saddle with me,

Rush Revere, and the Time-Traveling Crew, as my trusty horse, Liberty, takes us on another flying leap through American history into a past teeming with heroes and extraordinary citizens who have so much to teach us about patriotism. All you need to bring is your curiosity about the birth of our democracy—I've got plenty of tricornered hats for everyone!

Diamond Willow

Do you remember your first time? People tend to remember the moment they first heard The Rush Limbaugh Show on the radio. For Zev Chafets, it was in a car in Detroit, driving down Woodward Avenue. Limbaugh's braggadocio, the outrageous satire, the slaughtering of liberal sacred cows performed with the verve of a rock-n-roll DJ-it seemed fresh, funny and completely subversive. "They're never going to let this guy stay on the air," he thought. Almost two decades later Chafets met Rush for the first time, at Limbaugh's rarely visited "Southern Command." They spent hours together talking on the record about politics, sports, music, show business, religion and modern American history. Rush opened his home and his world, introducing Chafets to his family, closest friends, even his psychologist. The result was an acclaimed cover-story profile of Limbaugh in The New York Times Magazine. But there was much more to say, especially after Limbaugh became Public Enemy Number One of the Obama Administration. At first Limbaugh resisted the idea of a full-length portrait, but he eventually invited Chafets back to Florida and exchanged more than a hundred emails full of his personal history, thoughts, fears and ambitions. What has emerged is an uniquely personal look at the man who is not only the most popular voice on the radio, but the leader of the conservative movement and one of the most influential figures in the Republican Party. While Limbaugh's public persona is instantly recognizable, his background and private life are often misunderstood. Even devoted Dittoheads will find there's a lot they don't know about the self-described "harmless little fuzzi-ball" who has, over the years, taken on the giants of the mainstream media and the Democratic Party—from Bill and Hillary Clinton to Barack Obama—with "half his brain tied behind his back, just to make it fair." Chafets paints a compelling portrait of Limbaugh as a master entertainer, a public intellectual, a political force, and a fascinating man.

Rush Revere and the Brave Pilgrims and Rush Revere and the First Patriots

Describes the life and times of the well-known hero of the American Revolution, Paul Revere, a patriot and silversmith whose midnight ride was made famous in a poem by Henry Wadsworth Longfellow.

Finding Jesus in the Old Testament

America's #1 radio talk-show host and multi-million-copy #1 New York Times bestselling author presents the second book in a series for young readers with a history teacher who travels back in time to have adventures with exceptional

Americans. Rush Revere rides again! Saddle up with Rush Limbaugh's really good pal for a new time-travel adventure. "Whoa there, young historians! Before we go rush, rush, rushing off anywhere, I'd like a moment. I'm Liberty, Rush Revere's loquacious equine companion—his trusty talking horse! Always at the ready to leap from the twenty-first century into America's past, that's me. When he says 'Let's go!' I'm so there. I'm jazzed, I'm psyched, I'm—" "Ah, excuse me, Liberty?" "Yeah, Rush?" "Usually you say 'oh no, not again!' and 'while we're in colonial Boston, can I try the baked beans?'" "Okay, fine—you do the talking. I'll just be over here, if you need me...." Well, he's sulking now, but I couldn't be your tour guide across time without Liberty! His name says it all: the freedom we celebrate every July Fourth with fireworks and hot dogs (and maybe some of those baked beans). But how did America get free? How did thirteen newborn colonies tell the British king where he could stick his unfair taxes? Jump into the bustling streets of Boston in 1765, where talk of revolution is growing louder. I said LOUDER. You'll have to SHOUT to be heard over the angry cries of "Down with the king!" and "Repeal the Stamp Act!" that fill the air. You'll meet fierce supporters of liberty like Samuel Adams, Benjamin Franklin, and my idol, Paul Revere, as they fearlessly defy British rule. It's an exciting, dangerous, turbulent, thrilling time to be an American...and exceptional young patriots like you won't want to miss a minute. Let's ride!

Narwhal on a Sunny Night

Three twentysomething guys who transitioned from collegiate underachieving to corporate bottom feeding sketch out a plan to make a grab for some dignity. They will rob the publishing house that employs their only stable member and insults him on a daily basis. Being the bright, perceptive fellows they are, they all quickly realize it isn't about the money. For Phil "Dub" Dublen, it's a pissed off statement against a dull, meaningless job. For self-styled poet Trim, it's a chance to actually be as outrageous and anarchic as he needs to be. For Trim's roommate Dan, it seems to be something he does for the same reason he does everything: to vent some anger, having nothing to do. By the time their master plan is all said and done, nothing has been solved, nothing is better, and nothing, really, has changed. And in the slightly fractured wisdom of the larcenous trio, this surprises none of them.

Sharing the Wealth

Until now, freedom-minded parents had no educational material to teach their children the concepts of liberty. The Tuttle Twins series of books helps children learn about political and economic principles in a fun and engaging manner. With colorful illustrations and a fun story, your children will follow Ethan and Emily as they learn about liberty!

Three Bears in a Boat

Learn the Words. Get the blood. Rule the world. The Ustari Cycle starts here. From the "exhilarating, powerful, and entertaining" (Guardian) storyteller of the Avery Cates series comes a gritty supernatural thriller featuring a pair of unlikely heroes caught up in the underground world of blood magic. Magicians: they are not good people. The ethics in a world of blood are gray—and an underground strata of blood magicians has been engineering disasters for centuries in order to acquire enough fuel for their spells. Although in the modern world these mages stay in the shadows, their exploits have become no less bloody. Still, some practitioners use the Words and a swipe of the blade to cast simpler spells, such as Charms and Cantrips to gas up \$1 bills so they appear to be \$20s. Lem Vonnegan and his sidekick Mags fall into this level of mage, hustlers and con men all. Lem tries to be ethical by using only his own blood, by not using Bleeders or "volunteers." But it makes life hard. Soon they might have to get honest work. When the pair encounter a girl who's been kidnapped and marked up with magic runes for a ritual spell, it's clear they're in over their heads. Turning to Lem's estranged Master for help, they are told that not only is the girl's life all but forfeit, but that the world's preeminent mage, Mika Renar, has earth-shattering plans for her—and Lem just got in the way. With the fate of the world on the line, and Lem both spooked and intrigued by the mysterious girl, the other nominate him to become the huckleberry who'll take down Renar. But even if he, Mags, and the simpletons who follow him prevail, they're dealing with the kind of power that doesn't understand defeat, or mercy. (The first portion of *We Are Not Good People* was originally published in an altered form as *Trickster* by Pocket Books).

Bear and Bee Too Busy

A biography of the timid, petite teacher who courageously nursed wounded Union soldiers during the Civil War and later founded the American Red Cross.

The World's Greatest Rush Limbaugh Special Edition

When one of the time-traveling crew is running for student-body president at Manchester Middle School, Rush Revere takes them back in history to witness the election and leadership of our first three presidents.

Building Spelling Skills, Grade 2

The controversial conservative radio personality presents a collection of his observations on the Clinton administration, liberals, and other topics.

Lifers

Magic Tree House: Perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures If you're looking for Merlin Mission #33: Carnival at Candlelight, it was renumbered as part of the rebrand in 2017 as Merlin Mission #5.

Paul Revere

Stillwater the Panda returns in a delightful companion to his Caldecott Honor Book, Zen Shorts! Summer has arrived -- and so has Koo, Stillwater's haiku-speaking young nephew. And when Stillwater encourages Koo, and his friends Addy, Michael, and Karl to help a grouchy old neighbor in need, their efforts are rewarded in unexpected ways. Zen Ties is a disarming story of compassion and friendship that reaffirms the importance of our ties to one another.

Built to Last

A celebration of the best kind of dad- the kind that's willing to join in the fun. A gang of mythical creatures is roaming around a magical land having a great time, until Bigfoot gets his foot stuck in a tree trunk and Unicorn gets her horn impaled on a table and Robot's saw-arm gets rusted into position. But have no fear! Dad is there to fix things--even when a Sneaky Flying Alligator Pirate steals the Fairy Queen Ballerina Doctor's wand. A hilarious story about imagination, play and the best parts about being a dad.

Great Battles for Boys

There's more to me than most people see. Twelve-year-old Willow would rather blend in than stick out. But she still wants to be seen for who she is. She wants her parents to notice that she is growing up. She wants her best friend to like her better than she likes a certain boy. She wants, more than anything, to mush the dogs out to her grandparents' house, by herself, with Roxy in the lead. But sometimes when it's just you, one mistake can have frightening consequences . . . And when Willow stumbles, it takes a surprising group of friends to help her make things right again. Using diamond-shaped poems inspired by forms found in polished diamond willow sticks, Helen Frost tells the moving story of Willow and her family.

Hidden messages within each diamond carry the reader further, into feelings Willow doesn't reveal even to herself. Diamond Willow is a 2009 Bank Street - Best Children's Book of the Year.

Doctor Who: Twelve Doctors of Christmas

The owner of the NFL's San Diego Chargers chronicles his rise from humble beginnings as the son of poor Greek immigrants to his position as one of the top businessmen in the country, and shares his secrets for success.

Clara Barton

Star-Spangled

“Guaranteed to make you the smartest person in the room! One problem: you can’t stop reading this clever, amazing assortment of upscale trivia.” —Bill Kurtis, cohost of Wait Wait . . . Don’t Tell Me! For years, the Chicago Tribune’s popular weekly column 10 Things You Might Not Know has been entertaining readers while informing them on a diverse range of fascinating subjects. 10 Things You Might Not Know About Nearly Everything is a carefully curated collection of these columns, presented in a fun, easy-to-read format. This book provides well-researched, obscure facts on a variety of topics such as arts, culture, money, food, politics, war, science, technology, language, and more. 10 Things You Might Not Know About Nearly Everything contains a plethora of surprising trivia and pertinent tidbits that will appeal to everyone, from history buffs to sports fans to foodies. From amusing, lighthearted topics, such as misspellings and extreme eating, to more serious subjects, such as World War II and prison, this collection of carefully researched and universally appealing trivia will make readers laugh and their jaws drop. This book leaves readers brighter, wittier, and more curious about a myriad of subjects they may have never encountered before.

Spindle Fire

The little-known and inspiring story behind the national anthem and the stars and stripes “O say can you see” begins one of the most recognizable songs in the US. Originally a poem by Francis Scott Key, the national anthem tells the story of the American flag rising high above a fort after a night of intense battle during the War of 1812. But there is much more to the story than what is sung at ball games. What was this battle about? Whose bombs were bursting, and why were rockets glaring? Who sewed those broad stripes and bright stars? Why were free black soldiers fighting on both sides? Who was Francis Scott Key anyway, and how did he end up with such a close view? Star-Spangled tells the whole story from the

perspectives of different real players—both American and British—of this obscure but important battle from American history. The book includes an author’s note, a timeline, a glossary, endnotes, a bibliography, and an index.

The Tuttle Twins Learn About The Law

Saddle up with Rush Limbaugh’s really good pal Rush Revere, his wisecracking horse Liberty, and the whole Time-Traveling Crew for an epic American history adventure with this special boxed set edition of the New York Times bestselling series for young readers. Rush Revere and the Brave Pilgrims: Hold on to your pointy triangle hats. We’ll begin by joining a shipload of courageous families journeying on the Mayflower in 1620. Yawn? I don’t think so. 1620 was an awesome time, and you’ll experience that rough, dangerous ocean crossing too. Together, we’ll ask the pilgrims all our questions, find out how they live, and join them at the first Thanksgiving. Rush Revere and the First Patriots: Jump into the bustling streets of Boston in 1765, where talk of revolution is growing louder. You’ll meet fierce supporters of liberty, such as Samuel Adams, Benjamin Franklin, and Paul Revere, as they fearlessly defy British rule. It’s an exciting, turbulent, thrilling time to be an American. Rush Revere and the American Revolution: We’re off to meet some super-brave heroes who fought for American independence in 1775, against all odds—and won! We’ll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and dodge musket balls at some famous battles.

Rush Revere and the Brave Pilgrims

In 1897 a young man named Solomon fell in love with and married a beautiful young woman named Anna. They lived in Russia, which was dangerous at that time for a Jewish family, so Solomon moved to the United States, where he worked and saved until he had enough money to send Anna a ticket for the voyage across the ocean. But when Solomon went to meet Anna's ship, Anna's younger brother was waiting for him. Solomon took in her brother and worried and saved until he could send the money for Anna's passage again-but this time, Anna's older brother was waiting. When Solomon sent the money a third time and Anna's mother arrived, Solomon wondered if he would ever see his dear wife again. Elaine Snyder's Anna & Solomon is based on the true story of the author's grandparents' immigration. A Margaret Ferguson Book

It's Great Being a Dad

America’s #1 radio talk-show host and multi-million-copy #1 New York Times bestselling author presents a book for young readers with a history teacher who travels back in time to have adventures with exceptional Americans. MEET RUSH LIMBAUGH’S REALLY GOOD PAL, RUSH REVERE! Okay, okay, my name’s really Rusty—but my friends call me Rush. Rush Revere. Because I’ve always been the #1 fan of the coolest colonial dude ever, Paul Revere. Talk about a rock star—this

guy wanted to protect young America so badly, he rode through those bumpy, cobblestone-y streets shouting “the British are coming!” On a horse. Top of his lungs. Wind blowing, rain streaming Well, you get the picture. But what if you could get the real picture—by actually going back in time and seeing with your own eyes how our great country came to be? Meeting the people who made it all happen—people like you and me? Hold on to your pointy triangle hats, because you can—with me, Rush Revere, seemingly ordinary substitute history teacher, as your tour guide across time! “How?” you ask? Well, there’s this portal. And a horse. My talking horse named Liberty. And—well, just trust me, I’ll get us there. We’ll begin by joining a shipload of brave families journeying on the Mayflower in 1620. Yawn? I don’t think so. 1620 was a pretty awesome time, and you’ll experience exactly what they did on that rough, dangerous ocean crossing. Together, we’ll ask the pilgrims all our questions, find out how they live, join them at the first Thanksgiving, and much more. So saddle up and let’s ride! Our exceptional nation is waiting to be discovered all over again by exceptional young patriots—like you!

Rush Revere and the Star-Spangled Banner

A nomad fashion's a home that's meant to be built and rebuilt. A family tears down an old house and erects a new one in its place. Even the Eiffel Tower wasn't meant to be anything more than temporary. As humans, we don't always build things to endure the test of time. Built to Last brings together the award-winning author and artist David Macaulay's creative, exacting thinking about buildings and designs that were crafted with a strength of structure and purpose that defy the everyday: Castle, Cathedral, and Mosque. This gorgeous volume includes newly researched information about each building and how it was built. And, for the first time ever, the Caldecott Honor-winning Castle and Cathedral appear in full color—with stunning new drawings that enrich the reader's understanding of these structures, and capture intriguing new perspectives and details. Just as the buildings themselves were created to last, our interest in the structures themselves, the people who created them, and the purposes for which they were made endures as well. This impeccably researched volume—a necessary addition to the bookshelf of anyone interested in architecture—celebrates this spirit of endurance and serves as a reminder that building well and leaving something of consequence behind, whether a building, a design, or an idea, is still of the utmost importance.

Rush Revere and the American Revolution

Afraid to face their mother after breaking her beautiful blue seashell, three bears set out on an high seas adventure to try to find a replacement.

History Uncovered

Provide students with frequent, focused skills practice with this Reproducible Teacher's Edition. The reproducible format and additional teacher resources provide everything needed to help students master and retain basic skills. In Building Spelling Skills Daily Practice, Grade 6+, students will learn 18 spelling words per week (540 total). Three sentences for dictation are provided for each list.

10 Things You Might Not Know About Nearly Everything

Filled with historic photographs, maps, and short, powerful chapters, "Great Battles for Boys" captures the attention of even reluctant readers. History leaps off the page through the blood, sweat, and sacrifice of soldiers fighting America's earliest battles, from Bunker Hill and San Juan Hill to The Alamo and The Lost Battalion of WWI.

The Incredible Adventures of Rush Revere

An inspiring picture book affirmation about having courage even in difficult times, because some days, when everything around you seems scary, you have to be brave. Saying goodbye to neighbors. Worrying about new friends. Passing through a big city. Seeing a dark road ahead. In these moments, a young girl feels small and quiet and alone. But when she breathes deeply and looks inside herself, a hidden spark of courage appears, one she can nurture and grow until she glows inside and out. New York Times bestselling author Pat Zietlow Miller's uplifting words join New York Times bestselling illustrator Eliza Wheeler's luminous art to inspire young readers to embrace their inner light--no matter what they're facing--and to be brave.

Adventures of Rush Revere

Washington, John Adams, and Thomas Jefferson in action in Rush Revere and the Presidency!

Rush Revere and the Presidency

Explore the earliest days of the United States with this boxed set of the #1 New York Times bestselling Time Travels with Exceptional Americans series from Rush Limbaugh! Millions of young readers have taken a ride with Rush Revere and his trusty steed, Liberty. Now in this special boxed set edition, you can enjoy the four bestselling adventures back through our nation's history. Rush Revere and the Brave Pilgrims: Go back to the beginning by joining a shipload of brave families journeying on the Mayflower in 1620. That was a pretty awesome time, and you'll experience exactly what they did on that rough, dangerous ocean crossing. Together, we'll ask the pilgrims all our questions, find out how they live, join them at the first Thanksgiving, and much more. Rush Revere and the First Patriots: Join Rush and his friends on the second adventure on the bustling streets of Boston in 1765, where talk of revolution is growing louder. You'll meet fierce supporters of liberty like Samuel Adams, Benjamin Franklin, and my idol, Paul Revere, as they fearlessly defy British rule. Rush Revere and the American Revolution: Rush back in history to the precipice of the American Revolution, when rebellion is in the air. We'll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. Rush Revere and the Star-Spangled Banner: Jump back into the saddle with Rush Revere as he explores our America's first days as a nation. Rush and his young friends meet James Madison as he writes the Constitution and Francis Scott Key as he writes our national anthem during the Battle of Baltimore.

Anna & Solomon

A HISTORY BOOK CLUB BESTSELLER "True crime fans will relish this thoughtful look at a murder and its aftermath that riveted a nation." — Publisher's Weekly book review "There may be no two more addicting topics to people right now than politics and true crime. Star Spangled Scandal delves into both of these—with a heavy dose of sex added in." — NPR book review "... and sir I do assure you he has as much the use of your wife as you have." — From an anonymous note delivered to Congressman Daniel Sickles on February 24, 1859 It is two years before the Civil War, and Congressman Daniel Sickles and his lovely wife Teresa are popular fixtures in Washington, D.C. society. Their house sits on Lafayette Square across from White House grounds, and the president himself is godfather to the Sickles' six-year-old daughter. Because Congressman Sickles is frequently out of town, he trusts his friend, U.S. Attorney Philip Barton Key—son of Francis Scott Key—to escort the beautiful Mrs. Sickles to parties in his absence. Revelers in D.C. are accustomed to the sight of the congressman's wife with the tall, Apollo-like Philip Barton Key, who is considered "the handsomest man in all Washington society... foremost among the popular men of the capital." Then one day an anonymous note sets into motion a tragic course of events that

culminates in a shocking murder in broad daylight in Lafayette Square. This is the riveting true story of the murder and trial that sparked a national debate on madness, male honor, female virtue, fidelity, and the rule of law. Bestselling author Chris DeRose (*The Presidents' War*) uses diary entries, letters, newspaper accounts, and eyewitness testimonies to bring the characters to thrilling life in this antebellum true crime history.

Blacklash

Perfect for fans of Sarah J. Maas and Leigh Bardugo, *Spindle Fire* is an enthralling, wholly original reimagining of a classic faerie story. Half sisters Isabelle and Aurora are polar opposites: Isabelle is the king's headstrong illegitimate daughter, whose sight was tithed by faeries; Aurora, beautiful and sheltered, was tithed her sense of touch and voice on the same day. Despite their differences, the sisters have always been extremely close. And then everything changes, with a single drop of Aurora's blood, a Faerie Queen who is preparing for war, a strange and enchanting dream realm—and a sleep so deep it cannot be broken. *Spindle Fire* is a tour-de-force fantasy set in the dwindling, deliciously corrupt world of the fae and featuring two truly unforgettable heroines, from a writer destined to be a major voice in YA.

When You Are Brave

When Bear asks Bee to roll down the hill with him, Bee is too busy. Bee is too busy to lie in the sun and splash in the water, too. And by the time Bee asks Bear to watch the moon with her, he is too sleepy! Poor Bear. Poor Bee. Nothing is fun without your best friend beside you, but luckily Bee knows just what to do!

Treacherous Beauty

THE AMERICAN REVOLUTION HAS BEGUN—AND RUSH REVERE, LIBERTY THE HORSE, AND THE TIME-TRAVELING CREW ARE READY TO RIDE INTO THE ACTION! Join us on this incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that's right. We'll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere's crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We'll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam's dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the Declaration of

Independence signed make Cam see his own dad in a new and special way. But don't worry. Along with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one's for Liberty. The kids and I voted for strawberries. Now let's open the magic portal to the past!

Rush Limbaugh

A prominent African-American conservative argues that the Obama administration's policies are jeopardizing the black community and the nation at large, contending that progressive programs are actually promoting poverty at the expense of both the working and privileged classes. Reprint.

Rush Revere and the First Patriots

Histories of the Revolutionary War have long honored heroines such as Betsy Ross, Abigail Adams, and Molly Pitcher. Now, more than two centuries later, comes the first biography of one of the war's most remarkable women, a beautiful Philadelphia society girl named Peggy Shippen. While war was raging between England and its rebellious colonists, Peggy befriended a suave British officer and then married a crippled revolutionary general twice her age. She brought the two men together in a treasonous plot that nearly turned George Washington into a prisoner and changed the course of the war. Peggy Shippen was Mrs. Benedict Arnold. After the conspiracy was exposed, Peggy managed to convince powerful men like Washington and Alexander Hamilton of her innocence. The Founding Fathers were handicapped by the common view that women lacked the sophistication for politics or warfare, much less treason. And Peggy took full advantage. Peggy was to the American Revolution what the fictional Scarlett O'Hara was to the Civil War: a woman whose survival skills trumped all other values. Had she been a man, she might have been arrested, tried, and executed. And she might have become famous. Instead, her role was minimized and she was allowed to recede into the background—with a generous British pension in hand. In *Treacherous Beauty*, Mark Jacob and Stephen H. Case tell the true story of Peggy Shippen, a driving force in a conspiracy that came within an eyelash of dooming the American democracy.

We Are Not Good People

On September 11, 2001, America was defiled by terror -- our people mass murdered by fanatics willing to forfeit their own lives to kill as many innocent civilians as they could. The horrific evil inflicted on America that day was also a frontal assault on the very values that have made this nation a power-house: liberty, democracy, justice, and decency. To the nation's gun ban lobby, however, the mindless tragedy was seen as an opportunity to seize on terrorism as an excuse to launch a new wave of harsh gun laws against peaceable citizens. But their antidefense dogma fell on deaf ears. Citizens quickly decided

to assume responsibility for their own protection. Homeland security meant exercising Second Amendment rights; it meant common-sense gun ownership. It meant Americans fighting back -- from airline pilots to average citizens. Guns, Freedom, and Terrorism exposes the myths of those who demand we give up the liberties our forefathers fought valiantly to protect. It's about the true meaning of an armed citizenry and the nation's bedrock belief in preserving freedom. This fact-filled book provides forceful and convincing arguments on all the current issues facing firearms ownership in America, including: arming airline pilots, "animal rights" extremists, extortion of firearms manufacturers, gun show prohibition, international disarmament, self-defense and right-to-carry laws, media bias, and the historical and legal foundations affirming an individual's right to keep and bear arms. Book jacket.

Rush

A compendium of the first two books in the New York Times bestselling Rush Revere series—the perfect gift for young history buffs—from America’s #1 radio talk-show host Rush Limbaugh. Meet Rush Limbaugh’s really good pal Rush Revere! Okay, okay, my name’s really Rusty—but my friends call me Rush Revere because I’ve always been the #1 fan of the coolest colonial dude ever, Paul Revere. Talk about a rock star—this guy wanted to protect young America so badly, he rode through those bumpy, cobblestone-y streets warning everyone that “the British are coming!” On a horse. Top of his lungs. Wind blowing, rain streaming Well, you get the picture. But what if you could get the real picture—by actually going back in time and seeing with your own eyes how our great country came to be and meeting the very people who made it all happen? Hold on to your pointy triangle hats, because you can—with me as your tour guide across time. First, we’ll join a shipload of brave families journeying on the Mayflower in 1620. Then we’ll head to Boston in 1765 as cries for revolution are growing louder and louder. With plenty of fascinating facts and thrilling action, these books are perfect for exceptional young patriots just like you!
