THE WOMEN HAVE WON! WOMEN'S LIBERATION IS HERE TO STAY! A JET PILOT'S GUIDE TO MALE HOMEMAKING is a humorous look at one of the biggest sociological upheavals in world history-the great change in sexual roles during the last 30 years. The book examines shopping, cooking, child-raising, and other vocations once considered domains of the opposing gender. Included is a chapter on "Emergency Procedures" similar to that in an Air Force flight manual. Women, as much as men, will enjoy the often crazy, convoluted, and always funny experiences and "how-to" advice filtered through the macho mind of a jet pilot. UNIVERSITY EDITIONS

“Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.” —Elizabeth Royte, author, *Garbage Land* and *Bottlemania* Like many people, Beth Terry didn’t think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—Plastic-Free Heroes—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, *Plastic-Free* also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren’t as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, *Plastic-Free* is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.
