One couple's inspiring memoir of healing a Rwandan village, raising a family near the old killing fields, and building a restaurant named Heaven. Newlyweds Josh and Alissa were at a party and received a challenge that shook them to the core: do you think you can really make a difference? Especially in a place like Rwanda, where the scars of genocide linger and poverty is rampant? While Josh worked hard bringing food and health care to the country's rural villages, Alissa was determined to put their foodie expertise to work. The couple opened Heaven, a gourmet restaurant overlooking Kigali, which became an instant success. Remarkably, they found that between helping youth marry their own local ingredients with gourmet recipes (and mix up "the best guacamole in Africa") and teaching them how to help themselves, they created much-needed jobs while showing that genocide's survivors really could work together. While first a memoir of love, adventure, and family, A THOUSAND HILLS TO HEAVEN also provides a remarkable view of how, through health, jobs, and economic growth, our foreign aid programs can be quickly remodeled and work to end poverty worldwide.

In his continuing exploration of the human journey, Nepo has been called "one of the finest spiritual guides of our time," "a consummate storyteller," and "an eloquent spiritual teacher." In his latest book, he inquires into the endless ways we are asked to listen. Experiencing hearing loss himself, Nepo affirms that listening is one of the most mysterious, luminous, and challenging art forms on Earth: "Whatever difficulty you face, there are time-tried ways you can listen your way through."

Because listening is the doorway to everything that matters. It enlivens the heart the way breathing enlivens the lungs. We listen to awaken our heart. We do this to stay vital and alive.” In *Seven Thousand Ways to Listen*, Nepo offers ancient and contemporary practices to help us stay close to what is sacred. In this beautifully written spiritual memoir, Nepo explores the transformational journey with his characteristic insight and grace. He unfolds the many gifts and challenges of deep listening as we are asked to reflect on the life we are given. Mark Nepo—the #1 New York Times bestselling author and popular spiritual teacher—“has given us not only a much-

needed message of hope and inspiration, but a practical guide on how to build a better tomorrow, together” (Arianna Huffington, founder of HuffPost). This poignant and timely meditation on the importance of community, demonstrates how we can live more enriching lives by cultivating connectedness. At once a moving meditation and an empowering guide, *More Together Than Alone* is a compelling testament to the power of community and why it’s so essential in our lives, now more than ever. Mark Nepo draws from historical events, spiritual leaders, and the natural world to show how, in every generation, our tendency is to join together to accomplish our greatest achievements, from creating education to providing clean drinking water, and preserving the arts. Nepo’s historical snapshots, from ancient times to contemporary examples, show how community creates a light in the darkest of times. The book explores the heart of how we come together in varied and beautiful ways, whether forming resistance groups during the Holocaust or rebuilding after the nuclear devastation in Nagasaki. These inspiring stories teach us that even in the bleakest days, we have the power to create connections and draw strength from one another. Featuring thought-provoking analysis and practical takeaways, *More Together Than Alone* will help us inhabit a stronger sense of togetherness where we live and in the world so we can achieve our highest potential, as individuals, and as communities. “In an age of racial divisions, school shootings, and international conflict, this book’s message about the necessity of coming together is timely, and its examples of human compassion and unity are often comforting” (Publishers Weekly).

The One Life We're Given

Job is an investigation of the problem of divine justice.[30] This problem, known in theology as theodicy, can be rephrased as a question: "Why do the righteous suffer?"[2] The conventional answer in ancient Israel was that God rewards virtue and punishes sin (the principle known as "retributive justice").[31] This assumes a world in which human choices and actions are morally significant, but experience demonstrates that suffering cannot be sensibly understood as a consequence of bad choices and actions, and unmerited suffering requires theological candour.[32] The biblical concept of righteousness was rooted in the covenant-making God who had ordered creation for communal well-being, and the righteous were those who invested in the community, showing special concern for the poor and needy (see Job's description of his life in chapter 31). Their antithesis were the wicked, who were selfish and greedy.[33] Satan raises the question of whether there is such a thing as disinterested righteousness: if God rewards righteousness with prosperity, will men not act righteously from selfish motives? He asks God to test this by removing the prosperity of Job, the most righteous of all God's servants.[34] The book begins with the frame narrative, giving the reader an omniscient "God's eye perspective" which introduces Job as a man of exemplary faith and piety, "blameless and upright," who "fears God" and "shuns evil." [35][36] God is seen initiating the discussion with Satan and approving Job's suffering, a device which serves three purposes: the usual explanations for suffering, that the sufferer has committed some sin of which he is unaware or that God's actions are inscrutable, are eliminated; it makes clear that it is not Job who is on trial, but God's policy of retribution; and the reader sees that God

himself bears responsibility for Job's suffering.[37] The contrast between the frame and the poetic dialogues and monologues, in which Job never learns of the opening scenes in heaven or of the reason for his suffering, creates a sense of contradictory juxtaposition between the divine and human views of Job's suffering.[]

Drinking from the River of Light

LOVE RISES is pure, well, not so pure, fiction based on fact. A young Confederate lieutenant and a daring, older woman break all the taboos of the South in their efforts to survive a war-shattered world. When the Civil War ends, dashing Confederate Lieutenant Charlie Irving helps Julia's husband, General Robert Toombs, flee to France to avoid Union charges for treason. For years, Charlie has lusted after Julia even though she is a married woman twenty years his senior, and the South's most celebrated beauty. Under Charlie's smoldering looks, Julia goes weak in the knees and dreams of falling with Charlie on the thick, Persian carpet in her mansion's parlor. The aftermath of war offers a world based on survival and a chance to explore their passion if the two can survive the North's continuing effort to crush the South. But Julia still loves her husband, and code-of-honor-bound Charlie has sworn to take care of Julia in the General's absence. Is General Toombs' desperate plea to Charlie to do whatever is necessary to keep his wife safe and happy, curse or blessing on what the future holds?

Whether that is suffering, pain, fear or loss, or surprise, beauty, love or wonder, we work to stay in touch with our hearts in order to make sense of our experience. As we learn

when to try and when to let go, when to give our all and when to surrender and simply receive, we unfold the moments that reveal meaning and ready us for grace. This is how the heart breaks a path to our soul's work, leading us to our authenticity, and to how we can be useful to others and the world." The Diary of a Nobody

Mark Nepo is emerging as one of the truly significant writers and thinkers of today. Nepo has a singular way of distilling great truths down to their essence. Moreover, during his cancer journey, Nepo relied on the power of expression and the

writing process to keep him tethered to life. In *Reduced to Joy*, Mark Nepo explores the places where pain and joy are stitched to resilience, uncovering them with deep wisdom, poetic passages and personal revelations. Nepo reminds us all of the secret and sacred places within, forgotten in the noise and chatter of our busy distracted 21st Century lives. *Reduced to Joy* is a lesson in stillness, in standing in the mystery and, above all, in the work of love.

Healers on Healing

In these fast-paced times, the exquisite risk facing each of us every day is to slow down and “still our own house” so that we may experience life rather than simply manage it. In *The Exquisite Risk*, poet and teacher Mark Nepo encourages readers to become quiet enough and open enough to listen to what truly matters—our own hearts, our loved ones, the wonders of nature—in order to live a life with nothing held back. In rich, lyrical prose, Nepo shares his own spiritual path, including a battle with illness that helped him understand how only by daring to embrace all that life has to offer can we come to a deeper appreciation of its meaning and beauty. In the spirit of works by Deepak Chopra and Ram Dass, *The Exquisite Risk* unfolds in chapters like “The Struggle to Be Real,” “There Are Teachers Everywhere,” “The Rhythm of Kindness,” and “The Gift of Surprise,” offering fresh perspective on the art of being alive and providing essential insight into how we can minimize what stands between us and our experience of life. From the Hardcover edition.

Seven Little Australians

First published in 1936, *One Thousand Ways to Make \$1000* is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of *One Thousand Ways* off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's *How to Win Friends and Influence People*, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today—goat dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented—the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, *One Thousand Ways to Make \$1000* is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.

The Exquisite Risk

"I would follow this man anywhere his words want to take us," writes Elizabeth Gilbert, author of *Eat, Pray, Love*, in praise of Mark Nepo and *The One Life We're Given*. "His voice helps us find pathways where we might have believed that no pathway could possibly exist." "Mark Nepo is a national treasure," says Rev. Ed Bacon, author of *Eight Habits of Love*. Now, Nepo—popular spiritual teacher and #1 New York Times bestselling author of *The Book of Awakening*—crafts a new road map for the soul's journey. It is "a powerful guide to being in the world without being overwhelmed by it. Profound and poignant stories and insights help us survive what life brings us, and to thrive," says Arianna Huffington. *The One Life We're Given* "shares how to shape the life of the soul, and make sense of pain, fear, and loss, as well as surprise, beauty, and wonder" (*Library Journal*). Exploring the craft of awakening, *The One Life We're Given* affirms our purpose: we are here not just to stay alive but to stay in our aliveness. "The wisdom presented in the shining pages of this holy book is another luminous gift from a gallant, grateful, and imaginative spiritual master" (*Spirituality & Practice*).

The One Life We're Given

So often people pray and wonder if their prayers, or even thoughts, have been lost to the atmosphere. Nancy Brinkley Weems came to a relationship with Christ as an adult with many questions. Not wanting "man's" answers, she sought out God's voice. When a friend read a God conversation, she was taken aback that someone would freely chat with God and hear from Him directly. In *You Talk, I'll Listen*, Nancy Brinkley Weems will use her teaching skills and knack for bringing new information in at a level that anyone can grasp. Sharing her battles of spiritual growth through growing up, and growing old; chatting with God about the trials in life, including losing her husband of thirty-eight years, and hearing God's voice are some of the themes of this book. God spoke us into existence and is still speaking to us now. "I have to say I was amazed with this book. I found it amazing that you so honestly bared the truth of your soul and your relationship with God, so that others could find theirs." --Angela Lowe, New Smyrna Beach, Florida "God uses you to speak to others, and he is allowing that to happen in a very meaningful way. Your words, which I believe are inspired by God, have provided insight and comfort during a tragic time in my life." -- Lauren Canary, Physician's Assistant, Wauchula, Florida
