“A powerful YA novel about identity and prejudice.” —Entertainment Weekly Bijan Majidi is: Shy around girls Really into comics Decent at basketball Bijan Majidi is not: A terrorist What happens when a kid who's flown under the radar for most of high school gets pulled off the bench to make the winning basket in a varsity playoff game? If his name is Bijan Majidi, life is suddenly high fives in the hallways and invitations to exclusive parties—along with an anonymous photo sent by a school cyberbully that makes Bijan look like a terrorist. The administration says they'll find and punish the culprit. Bijan wants to pretend it never happened. He's not ashamed of his Middle Eastern heritage; he just doesn't want to be a poster child for Islamophobia. Lots of classmates rally around Bijan. Others make it clear they don't want him or anybody who looks like him at their school. But it's not always easy to tell your enemies from your friends. Here to Stay is a painfully honest, funny, authentic story about growing up, speaking out, and fighting prejudice.

New York Times bestselling author Walter Dean Myers traveled back to his roots in this memoir that is gripping, funny, and ultimately unforgettable. Don't miss this memoir by a former National Ambassador of Books for Young People! As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Here, in his own words, is the story of one of the most important voices of our time.

For fourteen-year-old Mouse, this summer is anything but boring. His father, who checked out from the family eight years ago, is now trying to make a comeback as a dad. Beverly, a new girl from California, seems to like locking lips with the Mouse--but she seems to like other guys, as well. Sheri is trying to persuade the gang to join a dance contest. And there's a rumor that a lot of money--the loot from a '30's bank heist, to be exact--is hidden somewhere in an abandoned Harlem building, and you know the Mouse is determined to get a piece of that action. "It's summer in Harlem, and The Mouse (as he calls himself) and his friends look beyond dance contests and basketball for diversion.
