The Board of Trade Journal

Offers a quick and easy approach to finding up-to-date contact information for political, government, media, judicial, and legislative leaders for each country of the world. The directory provides more than 10,000 names and addresses of the most important people in the world, as well as websites of countries (when available). A vital link in the global information chain for librarians, business people, journalists, students, teachers, and any general reader interested in obtaining global contact information.

The World's News Media

For book publishing contacts on a global scale, International Literary Market Place 2005 is your ticket to the people, companies, and resources at the heart of publishing in more than 180 countries worldwide-from Afghanistan to Zimbabwe. With the flip of a page, you'll find completely up-to-date profiles for more than 16,500 book-related concerns around the globe, including 10,500 publishers and literary agents 1,100 major booksellers and book clubs 1,500 major libraries and library associations and thousands of other book-related concerns-including trade organizations, distributors, dealers, literary associations, trade publications, book trade events, and other resources conveniently organized in a country-by-country format. Plus, ILMP 2005 includes two publisher indexes-Types of Publications Index and Subject Index-that offer access to publishers via some 140 headings. Additional coverage includes information on international literary prizes, copyright conventions, a yellow pages directory, and a worldwide calendar of events through 2010.
