They are hunting her, but she escapes and finds sanctuary with the Invisible College, an organization plotting to overthrow the nefarious Lord Protector. The only person powerful enough to bring about his downfall is a Chantress. And Lucy is the last one in England. ## The Secret Under My Skin

"David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next.
