One Was Lost

From #1 New York Times bestselling author Victoria Schwab, three whimsical and enchanting novels about a quirky and clever guardian angel, and the girls she's sent to help, in one irresistible volume.

Shades of Magic: The Steel Prince #1

Cram ten hormonal teens into a spaceship and blast off: that's the premise for the ill-conceived reality show *Waste of Space*. The kids who are cast know everything about drama—and nothing about the fact that the production is fake. Hidden in a desert warehouse, their spaceship replica is equipped with state-of-the-art special effects dreamed up by the scientists partnering with the shady cable network airing the show. And it's a hit! Millions of viewers are transfixed. But then, suddenly, all communication is severed. Trapped and paranoid, the kids must figure out what to do when this reality show loses its grip on reality.

Unspoken

The brilliant second book from a rising star of the picture book world, tipped as 'one to watch' by *The Bookseller* magazine. There's a team of dognappers on the loose. They've stolen lots of pooches, but this time they're up against a very clever dog. The cunning Penelope Dognapper is keen to get her hands on the latest rare breed, the lesser spotted wooper. Her big mistake is sending Patrick, her accomplice, to do the job. He has great difficulty identifying the right dog – that dog! – and in a house that also contains a snake, rabbit and characterful cat, you can imagine the chaos that ensues as he tries to steal the dog. That dog is a very smart one. He's quick, clever and a bit of a detective in his spare time and he might just have worked out who's behind the dastardly crimes. Will he avoid getting caught himself and rescue his fellow creatures?

New Beginnings

It's been 297 days since David died--and came back. He may have survived the avalanche, but the aftermath has been far worse. His wife moved out, taking his

son with her, and a devastated David hasn't left his house since, terrified of the mysterious new power that followed him home from the ill-fated expedition. After months in seclusion, David's ready for a fresh start, and ventures out, determined to keep his power in check. But David's power isn't the one he needs to worry about. Everyday Angel: Three Novels

She wrote the book on escaping a predator... Now one is coming for her. Faith Finley has it all: she's a talented psychologist with a flourishing career, a bestselling author and the host of a popular local radio program, Someone's Listening, with Dr. Faith Finley. She's married to the perfect man, Liam Finley, a respected food critic. Until the night everything goes horribly wrong, and Faith's life is shattered forever. Liam is missing—gone without a trace—and the police are suspicious of everything Faith says. They either think she has something to hide, or that she's lost her mind. And then the notes begin to arrive. Notes that are ripped from Faith's own book, the one that helps victims leave their abusers. Notes like "Lock your windows. Consider investing in a steel door." As the threats escalate, the mystery behind Liam's disappearance intensifies. And Faith's very life will depend on finding answers

Everyday Angel #3: Last Wishes

NEW YORK TIMES BESTSELLER* *2018 GOOD READS CHOICE AWARD WINNER FOR BEST SCIENCE FICTION CATEGORY A super-powered collision of extraordinary minds and vengeful intentions—#1 New York Times bestselling author V. E. Schwab returns with the thrilling follow-up to *Vicious*. Magneto and Professor X. Superman and Lex Luthor. Victor Vale and Eli Ever. Sydney and Serena Clarke. Great partnerships, now soured on the vine. But Marcella Riggins needs no one. Flush from her brush with death, she's finally gained the control she's always sought—and will use her new-found power to bring the city of Merit to its knees. She'll do whatever it takes, collecting her own sidekicks, and leveraging the two most infamous EOs, Victor Vale and Eli Ever, against each other. With Marcella's rise, new enmities create opportunity—and the stage of Merit City will once again be set for a final, terrible reckoning. Entertainment Weekly's 27 Female Authors Who Rule Sci-Fi and Fantasy Right Now "Readers won't be able to put down this dark and riveting tale of power and revenge."—Kirkus Reviews, starred Praise for *Vicious* "Schwab's characters feel vital and real, never reduced to simple archetypes. In a genre that tends toward the flippant or pretentious, this is a rare superhero novel as epic and gripping as any classic comic. Schwab's tale of betrayal, self-hatred, and survival will resonate with superhero fans as well as readers who have never heard of Charles Xavier or Victor von Doom."—Publishers Weekly (starred review) "V. E. Schwab's *Vicious* is the superhero novel I've been waiting for: fresh, merciless, and yes, vicious. Wow."—Mira Grant, New York Times bestselling author of *Blackout Villians* #1 *Vicious* #2 *Vengeful* "Warm Up" (short story) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Scowler

What's a girl to do when meeting The One means she's cursed to die a horrible death? Life hasn't been easy on sixteen-year-old Emma Conner, so a new start in New York may be just the change she needs. But the posh Upper East Side prep school she has to attend? Not so much. Friendly faces are few and far between, except for one that she's irresistibly drawn to—Brendan Salinger, the guy with the rock-star good looks and the richest kid in school, who might just be her very own white knight. But even when Brendan inexplicably turns cold, Emma can't stop staring. Ever since she laid eyes on him, strange things have been happening. Streetlamps go out wherever she walks, and Emma's been having the oddest dreams: visions of herself in past lives—visions that warn her to stay away from Brendan. Or else.

Spellbound

Stranded in the woods, they might not be as alone as they thought. Damaged, Deceptive, Dangerous, Darling. When a group of teens wake up in the woods, these words are inked onto their skin. Are they labels? A warning? They must find the truth before a killer finds them. While on a mandatory senior field trip, a flash flood cuts off Sera and three classmates from their group with no way to call for help. But they're not as alone as they thought

A dark threat faces the world of Erdas in this riveting new saga from the New York Times bestselling series. A heart-pounding new adventure from the New York Times bestselling series. In the world of Erdas, every child must discover if they will summon a spirit animal, a rare and incredible gift. Conor, Abeke, Meilin, and Rollan were rare even among those few. They summoned legendary animals--brave guardians who were reborn to protect their world. Now more of these legends are appearing across Erdas, bonded to special children. But a dark force has emerged. Older than memory, it has slept for centuries beneath the surface of the world. With the power to tear away spirit animals, it begins a rampage that will be felt in every corner of Erdas. If the young heroes can't stop it, the darkness will first consume the spirit animals . . . and then the world.

Immortal Guardians (Spirit Animals: Fall of the Beasts, Book 1)

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that

he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one highly recommended!" —Jonathan Maberry, *New York Times* bestselling author of *Marvel Universe vs The Avengers* and *Patient Zero* One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Our Dark Duet

A New York Times bestseller The bestselling sequel—and conclusion—to Victoria Schwab's instant #1 New York Times bestseller *This Savage Song*. Kate Harker is a girl who isn't afraid of the dark. She's a girl who hunts monsters. And she's good at it. August Flynn is a monster who can never be human. No matter how much he once yearned for it. He has a part to play. And he will play it, no matter the cost. Nearly six months after Kate and August were first thrown together, the war between the monsters and the humans is a terrifying reality. In *Verity*, August has become the leader he never wished to be, and in *Prosperity*, Kate has become the ruthless hunter she knew she could be. When a new monster emerges from the shadows—one who feeds on chaos and brings out its victim's inner demons—it lures Kate home, where she finds more than she bargained for. She'll face a monster she thought she killed, a boy she thought she knew, and a demon all her own. A gorgeously written dark fantasy from New York Times–bestselling author Victoria Schwab, and one to hand to fans of Holly Black, Laini Taylor, and Maggie Stiefvater. “Explosive.”—Brightly

Shades of Magic: The Steel Prince Volume 2

In his hilarious new sci-fi series, Jim C. Hines introduces the unlikely heroes that may just save the galaxy: a crew of space janitors. The Krakau came to Earth to invite humanity into a growing alliance of sentient species. However, they happened to arrive after a mutated plague wiped out half the planet, turned the rest into shambling, near-unstoppable animals, and basically destroyed human civilization. You know—your standard apocalypse. The Krakau's first impulse was to turn around and go home. (After all, it's hard to have diplomatic relations with mindless savages who eat your diplomats.) Their second impulse was to try to fix us. Now, a century later, human beings might not be what they once were, but at least they're no longer trying to eat everyone. Mostly. Marion “Mops” Adamopoulos is surprisingly bright (for a human). As a Lieutenant on the Earth Mercenary Corps Ship *Pufferfish*, she's in charge of the Shipboard Hygiene and Sanitation team. When a bioweapon attack wipes out the Krakau command crew and reverts the rest of the humans to their feral state, only Mops and her team are left with their minds intact. Escaping the attacking aliens—not to mention her shambling crewmates—is only the beginning. Sure, Mops and her team of space janitors and plumbers can clean the ship as well as anyone, but flying the damn thing is another matter. As they struggle to keep the *Pufferfish* functioning and find a cure for their crew, they stumble onto a conspiracy that could threaten the entire alliance... a conspiracy born from the truth of what happened on Earth all those years ago. Jim C. Hines has proven himself a master of humorous fantasy with his *Jig the Goblin* novels, and has turned the usual fantasy tropes sideways and upside down with his *Princess* and his *Magic Ex Libris* series. With *Terminal Alliance*, the debut novel in his humorous military science fiction series, Jim takes us into a brand-new universe of entertainment certain to appeal to fans of both Douglas

Adams and Terry Pratchett.

The Grey

#1 New York Times Bestseller * An Amazon Best Book of the Year There's no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, *This Savage Song* is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he's one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who's just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August's secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.

Warm Up

Meet a guardian angel like no other, from a writer like no other. Bold rising star, Victoria Schwab, makes her whimsical, inspiring, and clever middle-grade debut. At a first glance, Aria seems like your average twelve-year-old girl. She has coppery hair, colored shoelaces, and a passion for cupcakes. But there's more to Aria than meets the eye. She can dream things into existence, use her own shadow like a door, and change the world in small, important ways. Aria is a guardian angel. She's been sent here to earn her wings. But to do that, she'll have to help three different girls. Aria's first mission is Gabby Torres. Gabby's always been quiet, but ever since her brother got sick, she's barely said a word. When a new school offers her a fresh start, Gabby wants badly to be someone new, but she quickly learns it's hard to make friends while keeping half her life a secret. And then Aria shows up. Aria, who knows exactly what to say and do to make Gabby feel better. Will she be able to help Gabby find her voice? And will Gabby still trust Aria when she finds out exactly what she is? Think John Green for middle grade, with a touch of magic!

City of Ghosts

Old magics are waking. But will the world survive their return? Micah Grey almost died when he fled the circus with Drystan - now he and the ex-clown seek to outrun disaster. Drystan persuades his old friend Jasper Maske, a once-renowned magician, to take them in. But when he agrees to teach them his trade, Maske is challenged to the ultimate high-stakes duel by his embittered arch-nemesis. Micah must perfect his skills of illusion, while navigating a tender new love. An

investigator is also hunting the person he once seemed to be - a noble family's runaway daughter. As the duel draws near, Micah increasingly suffers from visions showing him real magic and future terrors. Events that broke the ancient world are being replayed. But can Micah's latent powers influence this deadly pattern?

A Gathering of Shadows

Imagine a place where the dead rest on shelves like books. Each body has a story to tell, a life seen in pictures that only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Last summer, Mackenzie Bishop, a Keeper tasked with stopping violent Histories from escaping the Archive, almost lost her life to one. Now, as she starts her junior year at Hyde School, she's struggling to get her life back. But moving on isn't easy -- not when her dreams are haunted by what happened. She knows the past is past, knows it cannot hurt her, but it feels so real, and when her nightmares begin to creep into her waking hours, she starts to wonder if she's really safe. Meanwhile, people are vanishing without a trace, and the only thing they seem to have in common is Mackenzie. She's sure the Archive knows more than they are letting on, but before she can prove it, she becomes the prime suspect. And unless Mac can track down the real culprit, she'll lose everything, not only her role as Keeper, but her memories, and even her life. Can Mackenzie untangle the mystery before she herself unravels? With stunning prose and a captivating mixture of action, romance, and horror, The Unbound delves into a richly imagined world where no choice is easy and love and loss feel like two sides of the same coin.

The Shades of Magic Series

Imagine a place where the dead rest on shelves like books. Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Mackenzie Bishop's grandfather first brought her here four years ago, when she was twelve years old, frightened but determined to prove herself. Now her grandfather is dead, and Mac has grown into what he once was: a ruthless Keeper, tasked with stopping often violent Histories from waking up and getting out. Because of her job, she lies to the people she loves, and she knows fear for what it is: a useful tool for staying alive. Follow Mackenzie as she explores the boundary between living and dying, sleeping and waking, through these two timeless novels, now bound together in this thrilling collection. With stunning prose and a captivating mixture of action, romance, and horror, *The Dark Vault* delves into a richly imagined world where no choice is easy and love and loss feel like two sides of the same coin.

The Unbound

Everyone is afraid of something Madeleine Masterson is deathly afraid of bugs, especially spiders. Theodore Bartholomew is petrified of dying. Lulu Punchalower is scared of confined spaces. Garrison Feldman is terrified of deep water. With very few options left, the parents of these four twelve year-olds send them to the highly elusive and exclusive School of Fear to help them overcome their phobias. But when their peculiar teacher, Mrs. Wellington, and her unconventional teaching methods turn out to be more frightening than even their fears, the foursome realize that this just may be the scariest summer of their lives.

Terminal Alliance

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. *Unbound* is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

Shadowplay

Unspoken truths will be revealed--and they will change everything--in this dazzling final chapter of the *Shadow Falls: After Dark* trilogy! Della Tsang is facing the toughest fight of her life--and the most personal. In her new role as an elite paranormal investigator, she's assigned a twenty year old murder case and the accused killer is none other than her own father. Making matters worse, since she was reborn, she's been bound to the mysterious and infuriatingly gorgeous Chase Tallman--a vampire with his own hidden agenda. Della still feels betrayed by all the secrets he's kept from her, but she'll need his help to find out the truth about her

father. But what about Steve, the hunky shape-shifter who she can't seem to forget? The quest for answers will lead them into the darkest, ugliest supernatural gangs in town and into the scariest reaches of their hearts.

Everyday Angel #2: Second Chances

From #1 New York Times bestselling author Victoria Schwab, three enchanting novels about a quirky and clever guardian angel, and the girls she's sent to help, in one irresistible volume. Aria is a guardian angel. She can use her shadow like a door, to travel from place to place. She can dream things into existence. And she can see when certain people need help. She must find and guide three different girls - Gabby, Caroline and Mikayla - through each of their problems to earn her wings. But helping these girls is no easy feat, even for someone with magic powers. Things like friendship and family are a lot trickier than Aria might have guessed. Still, she's up for the challenge Meet a magical girl like no other, from an author like no other, in this one-of-a-kind collection.

The Archived

Meet a guardian angel like no other, from a writer like no other. Bold, rising star Victoria Schwab returns with the second book in this whimsical, inspiring, and clever middle-grade series. There's more to Aria than meets the eye. She's a guardian angel. And to earn her wings, she'll have to help three different girls. . . . This time, Aria comes to Caroline Mason. At her all-girls' prep school, Caroline is being bullied. She eats lunch alone and is picked on by her classmates every day. The ringleader of the mean girls is Lily Pierce. But Lily isn't an ordinary bully: she used to be Caroline's best friend. When Aria arrives, she can see Caroline is suffering. But, to Aria's surprise, so is Lily. What is the story behind Lily's cruel actions? And can Aria help guide Caroline out of the darkness . . . and into better, brighter future?

Someone's Listening

Four months have passed since the shadow stone fell into Kell's possession. Four months since his path crossed with Delilah Bard. Four months since Rhy was wounded and the Dane twins fell, and the stone was cast with Holland's dying body through the rift, and into Black London. In many ways, things have almost returned to normal, though Rhy is more sober, and Kell is now plagued by his guilt. Restless, and having given up smuggling, Kell is visited by dreams of ominous magical events, waking only to think of Lila, who disappeared from the docks like she always meant to do. As Red London finalizes preparations for the Element Games—an extravagant international competition of magic, meant to entertain and keep healthy the ties between neighboring countries—a certain pirate ship draws closer, carrying old friends back into port. But while Red London is caught up in the pageantry and thrills of the Games, another London is coming back to life, and those who were thought to be forever gone have returned. After all, a shadow that was gone in the night reappears in the morning, and so it seems Black London has risen again—and so to keep magic's balance, another London must fall.

A Conjuring of Light

In the midst of a 1981 meteor shower in Iowa, a homicidal maniac escapes from prison and returns to the farm where his nineteen-year-old son, Ry, must summon three childhood toys—Mr. Furrington, Jesus Christ, and Scowler—to protect himself, his eleven-year-old sister, Sarah, and their mother.
