## Shining in the Dark

#1 New York Times Bestseller Oprah's Book Club Selection The “extraordinary . . . monumental masterpiece” (Booklist) that changed the course of Ken Follett’s

already phenomenal career. Look out for the prequel, *The Evening and the Morning*, coming from Viking in September 2020. “Follett risks all and comes out a clear winner,” extolled *Publishers Weekly* on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett’s unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett’s historical masterpiece.

Engaging, comic, and terrifying." -- Joe Garden, Features Editor, The Onion "Wong is like a mash-up of Douglas Adams and Stephen King 'page-turner' is an understatement." --Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story."--David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most

entertaining and addictive novels I've ever read."--Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David Wong. My best friend is John. Those names are fake. You might want to change yours. ### **The Lady of Shadows**

The basis of the major motion picture starring Billy Bob Thornton, Kim Basinger and Mickey Rourke, *The Informers* is a seductive and chillingly nihilistic novel, in which Bret Easton Ellis, returns to Los Angeles, the city whose moral badlands he portrayed so unforgettably in *Less Than Zero*. This time is the early eighties. The characters go to the same schools and eat at the same restaurants. Their voices enfold us as seamlessly as those of DJs heard over a car radio. They have sex with the same boys and girls and buy from the same dealers. In short, they are connected in the only way people can be in that city. Dirk sees his best friend killed

in a desert car wreck, then rifles through his pockets for a last joint before the ambulance comes. Cheryl, a wannabe newscaster, chides her future stepdaughter, “You're tan but you don't look happy.” Jamie is a clubland carnivore with a taste for human blood. As rendered by Ellis, their interactions compose a chilling, fascinating, and outrageous descent into the abyss beneath L.A.'s gorgeous surfaces.

Inspired in part by the Robert Browning narrative poem, “Childe Roland to the Dark Tower Came,” *The Gunslinger* is “a compelling whirlpool of a story that draws one irretrievable to its center” (Milwaukee Sentinel). It is “brilliant and fresh...and will leave you panting for more” (Booklist).
