Spiritual Disciplines Handbook

We all make decisions constantly--some with careful reflection, some without much thought. But what if we understood these decisions, minor as well as major, as matters of faithful Christian living? In this helpful and encouraging book, Elizabeth Liebert introduces the practice of discernment and guides readers through the process of faithful decision making. Following the way of discernment means becoming increasingly able to notice where God is at work in the world and in one's own life--and becoming increasingly generous with one's own life in response. After briefly exploring the Christian tradition of discernment, Liebert then turns to practical steps and exercises that will help readers as they seek God's call in the midst of their decisions, allowing readers to internalize some of these practices and incorporate them into their daily lives.

The Call to Discernment in Troubled Times

“Our response to moral questions is not determined by politics, economics, personal preference, popular opinion, or human reasoning. It is, instead, grounded in what God has told us is true about ourselves and our world. God’s Word offers sanity, clarity, and hope.” --John MacArthur Trusted Voices Offer Biblical Responses to Today’s Hot Issues One of the greatest challenges facing Christians today is the powerful influence of secular thinking. From all directions we’re fed a constant barrage of persuasive—yet unbiblical—worldviews. This makes it difficult to know where to stand on today’s most talked-about issues. The leadership team at Grace Community Church, along with their pastor, John MacArthur, provide much-needed discernment and clarity in the midst of rampant confusion. Using the Bible as the foundation, you’ll learn how to develop a Christian perspective on key issues—including political activism environmentalism the cult of celebrity entertainment and escapism homosexual marriage abortion, birth control, and surrogacy euthanasia and suicide disasters and epidemics immigration God and the problem of evil Also included is a topical reference guide of Bible verses that address key concerns—a guide that will arm you with right thinking and biblical

answers to challenging questions.

Discerning God's Will Together

Luke Timothy Johnson begins his study of the practical issue of how decisions are made in the church by admitting to a bias: that there ought to be a connection between what the church claims to be, and how it does things. Because the church claims to be a community of faith, it does not reach decisions simply on the basis of good management policy, or the analysis of market trends, or efficiency, or even ideological consistency, but in response to God's activity in the world that presses upon us and urges us to decision. Faced with how to respond to God's leading, the church decides what to do on the basis of two realities: Scripture and discernment. Because it calls the church into being Scripture is the fundamental authority in the church's life. Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached, for Scripture does not directly address all issues which face the church today, and those it does often reflect greatly differing historical and social contexts than our own. Thus, added to the authority of Scripture in the church's decision making is a process of discernment, in which the members of the community--under the guidance of the Holy Spirit--recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future. Johnson argues that this very pattern of decision making can be found in Scripture itself, notably in one of the central events of the

book of Acts. Beginning with the conversion of Cornelius and culminating in the Apostolic Council of Acts 15, we see how a string of smaller narratives combine to tell the story of God's movement within their midst, and how this narrative became the basis for the reinterpretation of Scripture and the inclusion of Gentiles into the fellowship of the church. Looking at a number of thorny issues facing the contemporary church, Johnson demonstrates how the interaction of Scripture and discernment can and must become the basis for how we respond to the decisions with which the church wrestles today.

Sharpen Your Discernment

McIntosh, the leading Episcopal theologian in the U.S., gives us meditative reflections on Christian discernment as a practice and a way of life.

Noticing God

Spiritual discernment is good for more than just making monumental decisions according to God's will. It is an essential, day-to-day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations. It is also a skill-something that any person can develop and improve, especially with the guidance in this book. Written

by a leading evangelical blogger, *The Discipline of Spiritual Discernment* is an uplifting, scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything—people, teachings, decisions, media, and organizations—will be consistent with God's Word.

Celebration of Discipline

Offers a fresh and deeper way to live a God-directed life that eschews simple spiritual solutions and takes believers to the deepest, most soulful parts of their being, leading them into a way of moving through life with purpose and promise.

Strengthening the Soul of Your Leadership

Amid the chaos of cybersex, impersonal sex, adultery, homosexuality, and sexual dissatisfaction in marriage, *Undeclared* calls readers toward a new kind of spiritual and sexual revolution. Sexual impurity creates a vicious circle, one that springs from misconceptions about Christ and further taints our understanding of Him. Yet another circle is available to men and women trapped in sexual sin, a circle of sexual redemption. When practiced as God intends, spirituality and sexuality both

draw us closer to Christ. Spiritual maturity and sexual maturity go hand-in-hand, and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin. There is hope. Real change is possible; true intimacy is available. To the person who has failed time and time again sexually, God's message is simple: You, too, can be undefiled.

The Way of Discernment

Based on scriptural principles and stories this book will teach you how to activate and apply discernment in every area of your life. This book teaches how God many times used women because of their discernment throughout the Bible. It also shows that every woman has been given a special gift (sometimes referred to as intuition). When a woman exercises this discernment, they will find help/insight in these areas: favor, the atmosphere of their home, children, husband, outside associations, protection, provision, recovery of what's been lost, timing, right place, right plan, right people, living a life that will be remembered

All That's Good

Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present *Don't Call It a Comeback: The Same Evangelical Faith for a New Day* to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.

Spiritual Discernment

Scriptural principles are practically applied to help Christians not only develop and define day-to-day spiritual discernment but regard it as an essential practice.

Spiritual Formation

"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as:

- building integrity
- seizing opportunities
- exploring new horizons
- speaking into crises
- receiving power
- accepting authority
- promoting truth
- managing expectations
- dealing with criticism

Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with

the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from 'over-spiritualized' to 'de-spiritualized' in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

Five Pillars of the Spiritual Life

In a society that is hostile to anyone who declares absolutes, that tolerates faith in any form, that values emotion over reason and trendiness over conviction, it's no surprise that many American churches have lost their ability to discern between biblical truth and doctrinal error. John MacArthur attempts to set them straight.

Richard Peace unpacks what it means to make a conscious practice of noticing God in daily life. He explores the various ways people experience and recognize God's presence in mystical encounters, ordinary life, our hearts, through other people, through Scripture, nature and the church. God is present in our world. You can encounter him. Here's how.

Spiritual Leadership Today

The authors use an extended metaphor to serve up a little book with a big message about two essentials of the Christian life. What do bookends have to do with the Christian life? They are a metaphor that Jerry Bridges has developed over the years, and which he and coauthor Bob Bevington flesh out in this small volume. The two "bookends" explain not only how we as sinners can be made acceptable to a holy God but also we can find the power to change. They are thus essential for the Christian life. In a unique book that should garner the attention of a wide range of readers, the authors use their extended metaphor to help readers answer questions like: How can I overcome persistent guilt? How can I deal with the pressure to measure up? Where can I find the motivation it takes to grow? How can I live the Christian life with both my head and my heart? How can I be sure God loves me? How can I change in an authentic and lasting way? So what are the bookends of the Christian life? Christ's righteousness as it is transferred to dependent believers, and the Holy Spirit's power as it enables their transformation.

In continuing their goal to re-center the church at large onto the historic gospel of Jesus Christ, Bridges and Bevington have served up this little book with a big message so that believers and seekers alike can understand these two keys to a genuine Christian life.

Sexual Detox

Winner of the 2018 TGC Book Award for Christian Living “And God saw that it was good...” Look out over the world today, it seems a far cry from God’s original declaration. Pain, conflict, and uncertainty dominate the headlines. Our daily lives are noisy and chaotic—filled with too much information and too little wisdom. No wonder we often find it easier to retreat into safe spaces, hunker down in likeminded tribes, and just do our best to survive life. But what if God wants you to do more than simply survive? What if he wants you to thrive in this world, and be part of its redemption? What if you could rediscover the beauty and goodness God established in the beginning? By learning the lost art of discernment, you can.

Discernment is more than simply avoiding bad things; discernment actually frees you to navigate the world with confidence and joy by teaching you how to recognize and choose good things. When you learn discernment and develop a taste for all that's good, you will encounter God in remarkable new ways. Come, discover the God who not only made all things, but who will also make all things good once again.

Pursuing God's Will Together

Unfortunately, in our time, even among Christians, discernment is long in demand and short in supply. Tim Challies reminds us that the Bible commands us to cultivate discernment, but he doesn't stop there. He tells us how, biblically.

Does God Have a Perfect Will for Your Life? Does God have a perfect will for each Christian? Can you be absolutely certain of God's specific will for your life? His people, but the question is, “How does He guide?” After “putting out a fleece” to decide which college to attend, Garry Friesen began pondering why it was so hard to find God’s will when he had so sincerely sought it. Was he the only one who did not have 100 percent clarity for every decision? Then a new possibility struck—perhaps his understanding of the nature of God’s will was biblically deficient. Maybe there was a better way to understand HOW God guides.

Decision Making and the Will of God

What is Christian wisdom for living in the twenty-first century? Where is it to be found? How can it be learnt? In the midst of diverse religions and worldviews and the demands and complexities of our world, David Ford explores a Christian way of uniting love of wisdom with wisdom in love. Core elements are the 'discernment of cries', the love of God for God's sake, interpretation of scripture, and the shaping of desire in faith. Case studies deal with inter-faith wisdom among Jews, Christians and Muslims, universities as centres of wisdom as well as knowledge and know-how and the challenge of learning disabilities. Throughout, there is an attempt to do justice to the premodern, modern and postmodern while grappling with scripture, tradition and the cries of the world today. Ford opens up the rich resources of Christianity in engaging with the issues and urgencies of contemporary life.

Discernment

All Christians yearn to live at the center of God's will. But how to discern his will is an art that eludes many of us. And the advice we get often conflicts. Some tell us to look for a divine "blueprint"-the one perfect plan for our lives that we need to find. We are encouraged to search the Scriptures and hunt for signs, trying to uncover the map of our lives that God has drawn. Others have rejected the

Where To Download The Discipline Of Spiritual Discernment Tim Challies

blueprint school of guidance for the "wisdom school." With minds renewed by the teaching of Scripture, we are to develop the wisdom necessary to make wise choices. We are told not to expect that there is just one answer to God's will for every decision we face. Several may be possible. The difficulty with both approaches, writes Gordon Smith, is that they minimize the presence and voice of God in times of choice. Instead, he argues for a third way. He suggests that we develop discernment as a spiritual discipline. By stressing the personal aspects of growing in our relationship with God, we can understand his will, not just in times of crisis but throughout our daily lives. This book provides no magic formulas, no recipes for guaranteed success—just a lot of insight, gleaned from centuries of lived Christian experience, that will guide and encourage you in the art of discerning God's will.

The Message of 2 Timothy

In this expanded edition of her spiritual formation classic, Ruth Haley Barton invites us to an honest exploration of what happens when spiritual leaders lose track of their souls. Weaving together contemporary illustrations with penetrating insight from the life of Moses, Barton explores topics such as facing the loneliness of leadership, leading from your authentic self, reenvisioning the promised land and more.

Do More Better

Discernment: Reading the Signs of Daily Life features the wisdom that spiritual leader and counselor Henri J. M. Nouwen brought to the essential question asked by every Christian and seeker: What should I do with my life? Nouwen emphasizes listening to the Word of God—in our hearts, in the Bible, in the community of faith, and in the voice of the poor as a way to discern God’s plan. Although the late Henri J. M. Nouwen counseled many people during his lifetime, his principles of discernment were never collected into a single volume. Now, in association with the Nouwen Legacy Trust, Michael Christensen—one of Nouwen’s longtime students—and Rebecca Laird have taken his coursework, journals, and unpublished writings to create this and other books in the series exploring God’s will for your life.

Spiritual Disciplines for the Christian Life

Right Thinking in a World Gone Wrong

Sick of porn? Time to detox. A huge percentage of men need a porn detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act itself, according to God's plan for this great gift. I want to help you detox from all the junk you've seen, all the lies you've believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn't knowledge-it's desire and ability. So sin prevails. Here's a promise. You'll never stop until you begin to see the monstrous nature of the sin you're committing. You'll never stop until the sin is more horrifying to you than the commission of the

sin is enjoyable. You'll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave in faith that God will meet you with grace as you act to cut off the porn and begin the reset. -Tim Challies

The Discipline of Spiritual Discernment (Foreword by John MacArthur)

John Stott writes, "During the last five years I seem to have lived inside the second letter of Paul to Timothy. In imagination I have sat down beside Timothy and have tried myself to hear and heed this final charge from the aging apostle . . . "On each occasion I have been impressed afresh by the timeliness of today of what the apostle writes, especially for young Christian leaders. For our era is one of theological and moral confusion, even of apostasy. And the apostle summons us, as he summoned Timothy, to be strong, brave and steadfast."

Reckless Faith

Listen to the prayer of the apostle Paul for his beloved church in Philippi: “this I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ” (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of “full knowledge and all perception that ye may prove [or, distinguish] the things that differ” (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address during his latter years of ministry. This present volume, entitled

A Personal Growth Finalist in the 2004 Word Guild Canadian Writing Awards! "My sheep hear my voice. I know them, and they follow me." Jesus takes it for granted that you will hear his voice. But how do you hear it? How do you separate it out from the cacophony of other voices you hear everyday, including those of your own desires? Is your experience of Jesus' voice something purely subjective, or is it something you can talk about with others and have them confirm? Building on the rich spiritual tradition that spans the diversity of history and theology from Ignatius Loyola to John Wesley to Jonathan Edwards, Gordon T. Smith helps open your ears and heart to the depths of the inner witness of the Spirit. By learning to attend to the Spirit, Smith urges, you will learn to hear and heed the voice of Jesus in everyday life. Written with warmth and wisdom, this book speaks to the mind and heart of every Christian who longs for a closer, more intimate walk with Jesus.
