The Letter, the Witch and the Ring - The House With a Clock in Its Walls 3

A bookish boy searches for his missing best friend in this spooky tale by the author of The House with a Clock in Its Walls On a country lane in snowbound 1950s New Hampshire, a car goes skidding off the road. Professor Childermass and Johnny Dixon escape unscathed, but their car is stuck, and they are forced to walk into town. Johnny doesn't mind. A curious young man, he has fun anytime the professor

takes him out, because he's treated like an adult. Together they've gotten into all sorts of supernatural scrapes, and this winter night, they'll face their toughest challenge yet. When Childermass suddenly vanishes, Johnny is the only one who can find him. The mystery is linked to a tiny skull taken from a child's dollhouse, which seems to have powers too terrible to guess at. With the help of a crusty old Irish priest, Johnny chases the clues to his friend's disappearance all the way to the rocky coast of Maine, where something evil hungers for revenge. From the author of the series featuring Lewis Barnavelt and Anthony Monday, the Johnny Dixon novels are charmingly old-school and shot through with suspense, and *The Spell of the Sorcerer's Skull* may be the most chilling of them all.

The Lamp from the Warlock's Tomb

This classic is now reissued with a brand-new look. A boy goes to live with his magician uncle in a mansion that has a clock hidden in the walls which is ticking off the minutes until doomsday.

The Vengeance of the Witch Finder - The House With a Clock in Its Walls 5

The summer of 1986. Central Texas. William and his friends should be having a blast. Instead, they are hounded by the Thousand Oaks Gang and their merciless leader, Bloody Billy. William found Billy's backpack. And because of what it contains, Billy desperately wants it back, and he'll do anything to get it. William hatches a plan for his friends to sneak away and hide in an abandoned lake house, except they become stranded on the lake's desolate island without food or water. Will their time on the island devolve into chaos? Will the friends survive and be rescued? The Benevolent Lords of Sometimes Island is Lord of the Flies meets The Body by Stephen King, the inspiration for the classic movie Stand By Me. A gripping suspense story with adventure and danger, tinged with humorous banter between the four friends, the middle schoolers face certain death without adults to protect them from the unrelenting natural elements, as well as the wild creatures that lurk in the wilderness around the lake. With a backpack filled with money and

marijuana they stole from the merciless gang leader, it's only a matter of time before the high schoolers come looking for them, too. From award-winning writer Scott Semegran, *The Benevolent Lords of Sometimes Island* is his eighth book. This novel is Semegran's response to William Golding's 1954 novel *Lord of the Flies*, which was Golding's response to *The Coral Island* by R. M. Ballantyne, an adventure novel from 1858. All three novels tackle the premise of boys stranded on an island, with Semegran's novel taking a decidedly modern view of a group of friends in Central Texas during the summer of 1986 working to survive in a situation filled with danger and desperation with only each other to rely on. "This well-crafted story will appeal to anyone who grew up in the '80s. Fans of *Stand by Me* will also enjoy this trip back in time. Although at times wistful, it's not a purely nostalgic ode to growing up, but a genuine, moving and irresistible meditation on the value of friendship." — *BlueInk Review (Starred Review)* "THE BENEVOLENT LORDS OF SOMETIMES ISLAND is a fantastic coming-of-age thriller that puts a positive spin on troubled adolescence." — *IndieReader (IR Approved)* "Scott Semegran stretches his literary muscles in this highly accomplished and well-crafted read a modern classic." — *Readers' Favorite Book Reviews*. 5 stars. "A page-turner. With his assured writing, tight plotting, and talent to fill a story with realistic details, Semegran has created another winner A must read!" — *The Prairies Book Review*. 5 stars. The Curse of the Blue Figurine

In the tradition of Calvin and Hobbes, MAL AND CHAD is a funny comic-strip graphic novel that makes a perfect first chapter book! Mal is a kid genius with a talking dog . . . so why doesn't anyone seem to notice him? Poor Mal. It's not easy being a kid genius who wears a lab coat to school ("It's not a bathrobe!"). Megan, his not-so-secret crush, has formed a club that has a no-boys-allowed policy - especially not Mal, who would do anything to feel like he belongs. Fortunately, Mal always has Chad, his talking dog. When Chad begins having scary dreams, Mal builds a dream portal to defeat Chad's nightmare beast once and for all. Something goes wrong, though, and the beast follows Mal back to reality. Now Megan and her friends are in danger . . . but Mal is there to come to the rescue, showing that, just maybe, he's someone to pay attention to. With kid-friendly humor and a deft touch, Stephen McCranie continues his breakthrough series perfect for any kid who's one book away from either Big Nate or Diary of a Wimpy Kid.

A boy sneaks into an old church to confront a mad ghost in this adventure by the author of *The House with a Clock in Its Walls*. It's the 1950s when Johnny Dixon's mother dies, his father goes to fight in the Korean War, and he goes to live with his grandparents. Although life in a new house is strange, Johnny's "Grampa" listens to his favorite ballgames, takes him on long walks, and tells him stories of the strange mysteries that lurk in the shadows. Best of all, he's friends with Professor Childermass, an eccentric academic who's about to take Johnny on the adventure of a lifetime. When the professor learns Johnny loves ghost stories, he tells the boy the spookiest legend in Duston Heights, Massachusetts—the tale of the haunted church on the edge of town, with demonic carvings on its altar, and the troubled spirit of mad Father Baart, who is said to have killed two people before vanishing long ago. With the professor as his guide, Johnny sets out on a quest that will put him face-to-face with the crazy, long-dead priest. The first book in the delightful Johnny Dixon series by the author who provides "suspense and action aplenty" (Booklist), *The Curse of the Blue Figurine* is a good old-fashioned Gothic adventure.

A clever young man and an eccentric professor search for a missing fortune, in this spooky adventure full of "marvelous surprises" (Publishers Weekly) H. Bagwell Glomus built an empire out of cereal. In the 1920s, his Oaty Crisps were the most popular breakfast in the United States, and Mr. Glomus was the wealthiest man in the little town of Gildersleeve, Massachusetts. But he was not a happy man. In 1936, he took his own life and his will was never found. Legend has it that his last will and testament is hidden somewhere in his office, but so far, no one has been able to find it and claim the \$10,000 reward. Yet, no one has looked as hard as Johnny Dixon. A precocious young boy who's happier reading old books than playing outside, Johnny has a best friend in the eccentric old Professor Childermass, who knows every detail of Mr. Glomus's story—except the location of the will. Together, along with a new pal from Boy Scout camp named Fergie, they intend to crack the puzzle—but before they can claim their prize, they must defeat an ancient evil force: a living mummy intent on destroying them. inventiveness of fairy tale-inspired fantasy. Prospero, a tall, skinny misfit of a wizard, lives in the South Kingdom—a patchwork of feuding duchies and small manors, all loosely loyal to one figurehead king. Along with his necromancer friend Roger Bacon, who has been on a quest to find a mysterious book, Prospero must flee his home to escape ominous pursuers. Thus begins an adventure that will lead him to a grove where his old rival, Melichus, is falsely rumored to be buried and to a less-than-hospitable inn in the town of Five Dials—and ultimately into a dangerous battle with origins in a magical glass paperweight. Lin Carter called *The Face in the Frost* one of “the best fantasy novels to appear since *The Lord of the Rings* . . . Absolutely first class.” With a unique blend of humor and darkness, it remains one of the most beloved tales by the Edgar Award-nominated author also known for the long-running Lewis Barnavelt series.

we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

The Letter, the Witch, and the Ring

A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION From #1 New York Times bestselling author Stephen King, the most riveting and unforgettable story of kids confronting evil since It. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If
