Relationship Goals

A mesmerizing debut about a young girl whose steadfast belief and imagination bring everything she once held dear into treacherous balance In Grace McCleen's harrowing, powerful debut, she introduces an unforgettable heroine in ten-year-old Judith McPherson, a young believer who sees the world with the clear Eyes of Faith. Persecuted at school for her beliefs and struggling with her distant, devout father at home, young Judith finds solace and connection in a model in miniature of the Promised Land that she has constructed in her room from collected discarded scraps--the Land of Decoration. Where others might see rubbish, Judith sees possibility and divinity in even the strangest traces left behind. As ominous forces disrupt the peace in her and Father's modest lives--a strike threatens her father's factory job, and the taunting at school slips into dangerous territory--Judith makes a miracle in the Land of Decoration that solidifies her blossoming convictions. She is God's chosen instrument. But the heady consequences of her newfound power are difficult to control and may threaten the very foundations of her world. With its intensely taut storytelling and crystalline prose, The Land of Decoration is a gripping, psychologically complex story of good and evil, belonging and isolation, which casts new and startling light on how far we'll go to protect the things we love most.

Land Of Decoration

Ten-year-old Judith McPherson is a believer. Her world is carefully constructed around her faith: nightly scripture reading with her father, weekly gatherings at the Meeting Hall and daily proselytizing to the lost. With no TV and no books "of the world" to entertain her, she passes time by creating The Land of Decoration, a model in miniature of The Promised Land

which she has made of collected discarded scraps—divine treasures that she squirrels away. But Judith's troubles are mounting. At school, Neil Lewis's relentless terrorizing has reached a feverish, dangerous pitch and, in town, a strike threatens the factory where her father works. One Sunday night, terrified of the violence that awaits her in the halls on Monday, Judith conjures a snowstorm in *The Land of Decoration* made of shaving cream, cotton and cellophane. The next morning the ground outside her window is a crisp, dazzling white. Judith can perform miracles. In fact, she might just be God's chosen instrument. But with power comes weighty consequences, and Judith must face them head on to keep her faith—and her family—alive. With its intensely taut storytelling and gorgeous prose, *The Land of Decoration* is a harrowing story of good and evil, belonging and isolation, faith and doubt, and it introduces us to a classic new heroine. It's a novel that gives us many incredible gifts, but its most exciting is the gift of Grace McCleen, a brilliant, heartbreaking new voice in fiction.

Brideshead Revisited

This isn't an ordinary love story. But then Grace isn't an ordinary girl. 'Disgusting,' said the nurse. And when no more could be done, they put her away, aged eleven. On her first day at the Briar Mental Institute, Grace meets Daniel. He sees a different Grace: someone to share secrets and canoodle with, someone to fight for. Debonair Daniel, who can type with his feet, fills Grace's head with tales from Paris and the world beyond. This is Grace's story: her life, its betrayals and triumphs, disappointment and loss, the taste of freedom; roses, music and tiny scraps of paper. Most of all, it is about the love of a lifetime.

The Land Downunder

Elizabeth Stone, a respected academic, has a new lease on life. In remission from cancer, she returns to the city where she was a student over thirty years ago to investigate some little-known papers by T. S. Eliot, which she believes contain the seeds of her masterpiece; a masterpiece that centres on a poem given to her when she was eighteen by the elusive Professor Hunt. But as the days pass in the city she loves and her friendship with Professor Hunt is rekindled, her memories return her to a time shadowed by loneliness, longing and quiet despair, and to an undeclared but overwhelming love. Paralysed by the fear of writing something worthless, haunted by a sense of waste, Elizabeth Stone comes to realise she is facing the biggest test of her life. As in her acclaimed debut *The Land of Decoration*, Grace McCleen gives an intense evocation of place, an unflinching portrayal of a character by turns comic, absurd, and disturbing, and a powerful sense of

the transcendent within the ordinary. Profound and hypnotic, The Professor of Poetry devastates even as it exhilarates and echoes long after it has been closed.

The Land of Decoration

“We often think that grace enters the Bible when Jesus appeared. However, Preston shows us that within the pages of the confusing, sometimes bizarre, and often war-filled pages of the Old Testament, there is heaps and heaps of grace. And the more we look, the more grace we see—grace that melts our hearts in worship of our God who shows His overwhelming, mind-blowing, over-the-top amazing grace from Eden to the New Jerusalem.” Dan Kimball, Leadership, Mission and Teaching at Vintage Faith Church, and author of Adventures in Churchland “A book on grace with the power to liberate us from the weight of works and requirements and do-goodisms that have plagued Christians for far too long. Every page is bursting with freedom. Finally, a grace-filled book on grace!” Jonathan Merritt, author of Jesus Is Better Than You Imagined “Preston Sprinkle writes a book on grace that is long overdue. Christians love to talk about grace and we name our churches Grace, but grace like God’s is in desperately short supply. Sprinkle frees us to live in God’s grace as Jesus embodied it. That kind of grace is unnerving, and for the most part, unprecedented in the Christianity most of us know. Charis is a must-read for every pastor, student, leader and anyone who has walked through the doors of a church and felt inadequate, judged, unworthy, or unspiritual. Preston brilliantly reminds us that God no longer sees you as the failed one, the messed up one. Because the kind of grace Sprinkle writes about changes it all, and God only sees you as precious and priceless. So much so that like a tattoo, your name is written on the hands of God. This is what makes Charis a game changer for all of us.” Palmer Chichen, PhD, cultural artist and author of True Religion and The Barefoot Tribe A Look at Grace from a Most Surprising Perspective – The Old Testament Grace. We want to domesticate it, calm it down, and stuff it into a blue blazer and a pair of khakis. But biblical grace – or charis – doesn’t like to settle down. Grace is a dangerous topic because the Bible is a dangerous book. Charis flows from the Preston Sprinkle’s half dozen years teaching the Old Testament to college students. You might think that would produce a book about judgment – but no way. He shows how every character, every event, every single page from the Old Testament bleeds with grace. Take a journey into Charis - where harlots are hugged, enemies are enjoyed, and really bad people receive really good things from a Creator who stubbornly delights in undelightful people ... like us.

Staging Is Murder

A father-daughter story that tells of the author's experience growing up in a separatist fundamentalist Christian cult, from the author of the national bestseller *Ghostwalk* Rebecca Stott grew up in in Brighton, England, as a fourth-generation member of the Exclusive Brethren, a cult that believed the world is ruled by Satan. In this closed community, books that didn't conform to the sect's rules were banned, women were subservient to men and were made to dress modestly and cover their heads, and those who disobeyed the rules were punished and shamed. Yet Rebecca's father, Roger Stott, a high-ranking Brethren minister, was a man of contradictions: he preached that the Brethren should shun the outside world, yet he kept a radio in the trunk of his car and hid copies of Yeats and Shakespeare behind the Brethren ministries. Years later, when the Stotts broke with the Brethren after a scandal involving the cult's leader, Roger became an actor, filmmaker, and compulsive gambler who left the family penniless and ended up in jail. A curious child, Rebecca spent her insular childhood asking questions about the world and trying to glean the answers from forbidden library books. Only when she was an adult and her father was dying of cancer did she begin to understand all that had occurred during those harrowing years. It was then that Roger Stott handed her the memoir he had begun writing about the period leading up to what he referred to as the traumatic "Nazi decade," the years in the 1960s in which he and other Brethren leaders enforced coercive codes of behavior that led to the breaking apart of families, the shunning of members, even suicides. Now he was trying to examine that time, and his complicity in it, and he asked Rebecca to write about it, to expose all that was kept hidden. In *Days of Rain* is Rebecca Stott's attempt to make sense of her childhood in the Exclusive Brethren, to understand her father's role in the cult and in the breaking apart of her family, and to come to be at peace with her relationship with a larger-than-life

figure whose faults were matched by a passion for life, a thirst for knowledge, and a love of literature and beauty. A father-daughter story as well as a memoir of growing up in a closed-off community and then finding a way out of it, this is an inspiring and beautiful account of the bonds of family and the power of self-invention. Praise for *In the Days of Rain* “A marvelous, strange, terrifying book, somehow finding words both for the intensity of a childhood locked in a tyrannical secret world, and for the lifelong aftershocks of being liberated from it.”—Francis Spufford, author of *Golden Hill* “Writers are forged in strange fires, but none stranger than Rebecca Stott’s. By rights, her memoir of her father and her early childhood inside a closed fundamentalist sect obsessed by the Rapture ought to be a horror story. But while the historian in her is merciless in exposing the cruelties and corruption involved, Rebecca the child also lights up the book, existing in a world of vivid play, dreams, even nightmares, so passionate and imaginative that it helps explain how she survived, and—even more miraculous—found the compassion and understanding to do justice to the story of her father and the painful family life he created.”—Sarah Dunant, author of *The Birth of Venus*

Cabin Style

"Gardening is the most basic of languages, the labor from which we're all born and nourished. . . ." In these pages, we travel the country with Debra Landwehr Engle as she visits 20 gardens and gardeners from California to Maine and Minnesota to Arkansas, showing us that grassroots campaigns actually can and do involve roots--and seeds and garden trowels. That any person with a steadfast resolve and an open patch of dirt can help bridge the gap between multinational refugees. That lush vegetation and running water and cool stones can help spark the fading memories of our elderly. And

that our children can learn about where food comes from, labyrinths, wetlands systems, and healing from grief and loss just by digging in the earth with a caring adult hand to guide them. As the stories in this remarkable collection demonstrate, the simplest act of gardening can produce significant changes in the lives of people we might never even meet. Consider the man who sends seedlings and greenhouses halfway around the world to feed hospital patients, or the immigrant woman who began selling her own flowers as a way to raise money for overseas charities, or the couple who offers their land as a midday retreat for the residents of nearby nursing homes. These acts and others are not heroic--or even unusual--as Ms. Engle tells us. We see ourselves in these uplifting tales from the garden, as they inspire us to transform our own little parts of the world into places of greater peace, repose, play, and healing. For gardeners, community activists, and those who understand the spiritual value of putting a spade in the soil, these stories capture the promise renewed each time we plant a seed and give us fresh ideas for changing the world, one garden at a time.

The Land of Decoration

A dramatic and lyrical coming-of-age novel about a young Blackfoot girl who grows up in the residential school system on the Canadian prairies. Torn from her home and delivered to St. Mark's Residential School for Girls by government decree, young Rose Marie finds herself in an alien universe where nothing of her previous life is tolerated, not even her Blackfoot name. For she has entered into the world of the Sisters of Brotherly Love, an order of nuns dedicated to saving the

Indigenous children from damnation. Life under the sharp eye of Mother Grace, the Mother General, becomes an endless series of torments, from daily recitations and obligations to chronic sickness and inedible food. And then there are the beatings. All the feisty Rose Marie wants to do is escape from St. Mark's. How her imagination soars as she dreams about her lost family on the Reserve, finding in her visions a healing spirit that touches her heart. But all too soon she starts to see other shapes in her dreams as well, shapes that warn her of unspoken dangers and mysteries that threaten to engulf her. And she has seen the rows of plain wooden crosses behind the school, reminding her that many students have never left here alive. Set during the Second World War and the 1950s, *Black Apple* is an unforgettable, vividly rendered novel about two very different women whose worlds collide: an irrepressible young Blackfoot girl whose spirit cannot be destroyed, and an aging yet powerful nun who increasingly doubts the value of her life. It captures brilliantly the strange mix of cruelty and compassion in the residential schools, where young children are forbidden to speak their own languages and given Christian names. As Rose Marie matures, she finds increasingly that she knows only the life of the nuns, with its piety, hard work and self-denial. Why is it, then, that she is haunted by secret visions—of past crimes in the school that terrify her, of her dead mother, of the Indigenous life on the plains that has long vanished? Even the kind-hearted Sister Cilla is unable to calm her fears. And then, there is a miracle, or so Mother Grace says. Now Rose is thrust back into the outside world with only her wits to save her. With a poet's eye, Joan Crate creates brilliantly the many shadings of this heartbreaking novel, rendering perfectly the inner voices of Rose Marie and Mother Grace, and exploring the larger themes of belief and belonging, of faith and forgiveness.

The Meaning of Night

“After killing the red-haired man, I took myself off to Quinn’s for an oyster supper.” So begins an extraordinary story of betrayal and treachery, of delusion and deceit narrated by Edward Glyver. Glyver may be a bibliophile, but he is no bookworm. Employed “in a private capacity” by one of Victorian London’s top lawyers, he knows his Macrobius from his First Folio, but he has the street-smarts and ruthlessness of a Philip Marlowe. And just as it is with many a contemporary detective, one can’t always be sure whether Glyver is acting on the side of right or wrong. As the novel begins, Glyver

silently stabs a stranger from behind, killing him apparently at random. But though he has committed a callous and brutal crime, Glyver soon reveals himself to be a sympathetic and seductively charming narrator. In fact, Edward Glyver keeps the reader spellbound for 600 riveting pages full of betrayal, twists, lies, and obsession. Glyver has an unforgettable story to tell. Raised in straitened circumstances by his novelist mother, he attended Eton thanks to the munificence of a mysterious benefactor. After his mother's death, Glyver is not sure what path to take in life. Should he explore the new art of photography, take a job at the British Museum, continue his travels in Europe with his friend Le Grice? But then, going through his mother's papers, he discovers something that seems unbelievable: the woman who raised him was not his mother at all. He is actually the son of Lord Tansor, one of the richest and most powerful men in England. Naturally, Glyver sets out to prove his case. But he lacks evidence, and while trying to find it under the alias "Edward Glapthorn," he discovers that one person stands between him and his birthright: his old schoolmate and rival Phoebus Rainsford Daunt, a popular poet (and secret criminal) whom Lord Tansor has taken a decidedly paternal interest in after the death of his only son. Glyver's mission to regain his patrimony takes him from the heights of society to its lowest depths, from brothels and opium dens to Cambridge colleges and the idylls of Evenwood, the Tansor family's ancestral home. Glyver is tough and resourceful, but Daunt always seems to be a step ahead, at least until Glyver meets the beguilingly beautiful Emily Carteret, daughter of Lord Tansor's secretary. But nothing is as it seems in this accomplished, suspenseful novel. Glyver's employer Tredgold warns him to trust no one: Is his enigmatic neighbour Fordyce Jukes spying on him? Is the brutal murderer Josiah Pluckthorn on his trail? And is Glyver himself, driven half-mad by the desire for revenge, telling us the whole truth in his candid, but very artful, "confession"? A global phenomenon, *The Meaning of Night* is an addictive, darkly funny, and completely captivating novel. Meticulously researched and utterly gripping, it draws its readers relentlessly forward until its compelling narrator's final revelations. From the Hardcover edition.

Grace Williams Says It Loud

"WONDERFULLY STRANGE." --Mark Haddon A beguiling, irresistibly immersive debut novel about sixteen sisters in a walled garden, and what happens to their carefully constructed world when one girl starts asking questions about life outside. Fourteen-year-old Calamity Leek and her sisters spend their days tending white roses and memorizing the lessons in Aunty's Appendix, a multi-volume compendium of show tunes, beauty regimens, and twisted creation myths. Calamity knows the Appendix front to back, and she is Aunty's favorite, destined for particular greatness. But when her restless sister Truly Polperro gets too curious about life beyond their Wall of Safekeeping, she cracks Calamity's world wide open. Calamity needs a new book. And she will have to write it herself. With formidable imagination and brilliant strangeness, Paula Lichtarowicz's The First Book of Calamity Leek draws on fairytales and doublespeak to tell a story both classic and keenly modern. Calamity, fearless and wrenching, leads us to question the stories we ourselves live by.

My own private opinion is that there is no such thing as preaching Christ and him crucified, unless you preach what now-a-days is called Calvinism. It is a nickname to call it Calvinism; Calvinism is the gospel, and nothing else. I do not believe we can preach the gospel, if we do not preach justification by faith, without works; nor unless we preach the sovereignty of God in his dispensation of grace; nor unless we exalt the electing, unchangeable, eternal, immutable, conquering, love of Jehovah: nor do I think we can preach the gospel, unless we base it upon the peculiar redemption which Christ made for his elect and chosen people; nor can I comprehend a gospel which lets saints fall away after they are called, and suffers the children of God to be burned in the fires of damnation after having believed. Such a gospel I abhor. The gospel of the Bible is not such a gospel. We preach Christ crucified in a different fashion, and to all gainsayers we reply. "We have not so learned Christ." (Charles Spurgeon)
