Take Hold of Your Dream

Jezebel walks among us. She is in our meetings, sits
next to us in Sunday's church service and can even

be a prayer partner. How does one behave when this spirit is in operation in the people that we genuinely love? This book is designed to assist leaders, deliverance ministers and believers in: 1) Identifying, isolating and eradicating the spirit of Jezebel from their church or ministry in a practical and effective manner. 2) Diagnosing the possibility of being a sympathizer (harboring) to Jezebel 3) Manage the aftershock of Jezebel's departure 4) Receive deliverance and healing from Jezebel and Ahab spirits. 5) Receive a better understanding on how to address the person hosting the spirit of Jezebel. The topic of Jezebel is so vast that it demands volumes to be written about it. This book is simply scratching the surface per se, and is not designed to address all aspects of the spirit of Jezebel or her network. However, it will provide the reader with some present-day truth into Jezebel's operation and controlling network. Finally this book will assist the reader in how to engage the human factor (the person) in a manner that minimizes the casualties of war.

Power and Authority Over Darkness

This five-week interactive study resource package is perfect for both individuals and small groups interested in gaining understanding, growing their faith, and drawing closer to God. This program involves a Fasting DVD and "Fasting Study Guide," in which Franklin explores this somewhat forgotten

Right People, Right Place, Right Plan

For many researchers, Python is a first-class tool mainly because of its libraries for storing, manipulating, and gaining insight from data. Several resources exist for individual pieces of this data science stack, but only with the Python Data Science Handbook do you get them all—IPython, NumPy, Pandas, Matplotlib, Scikit-Learn, and other related tools. Working scientists and data crunchers familiar with reading and writing Python code will find this comprehensive desk reference ideal for tackling day-to-day issues: manipulating, transforming, and cleaning data; visualizing different types of data; and using data to build statistical or machine learning models. Quite simply, this is the must-have reference for scientific computing in Python. With this handbook, you'll learn how to use: IPython and Jupyter: provide computational environments for data scientists using Python NumPy: includes the ndarray for efficient storage and manipulation of dense data arrays in Python Pandas: features the DataFrame for efficient storage and manipulation of labeled/columnar data in Python Matplotlib: includes capabilities for a flexible range of data visualizations in Python Scikit-Learn: for efficient and clean Python implementations of the most important and established machine learning algorithms

Financial Modelling in Python

Beneath the Surface of Your Daily Life There Is A Conspiracy Against You. WHETHER OR NOT YOU REALIZE IT, spiritual forces are at work in every element of your life. However, some of these spirits have an agenda to cripple your faith and draw you away from God. The toxic trio of hell's most threatening conspirators consists of the Jezebel spirit, the python spirit, and the religious spirit. With the Jezebel spirit, seduction is its game as it distracts, manipulates, and deceives. The python spirit chokes the wind of God out of believers. The religious spirit sows legalism and bondage into the hearts of God's people. These three spirits have the same goal: to reverse the progress of your spiritual growth and break your faith. Ryan LeStrange exposes how these spirits conspire to execute Satan's agenda on the earth. Hell's Toxic Trio equips you with the tools to rise above the Jezebel spirit, the python spirit, and the religious spirit so you can live in victory.

A Book of Golden Deeds

Whom should I marry? What will I do with my life? Do I take this job? Should I invest money in this opportunity? God has bestowed an incredible gift in the heart of every believer. He has given you an internal compass to help guide your life, your family, your children, your finances, and much more. Jentezen Franklin reveals how, through the Holy Spirit, you can tap into the heart and mind of the Almighty. Learn to trust those divine “nudges” and separate God's voice from all other voices in your life. Tap into your supernatural gift of spiritual discernment and

you will better be able to fulfill your purpose as a child of God.

Python Spirit

Identify and defeat the source of your fears and reclaim a life of success, peace, and joy. Have you ever asked yourself what you would do if you knew you could not fail? What would your life look like if you had a guarantee that everything would work out just as you planned? That's the "more abundant" life God has planned for you! Don't let the 24-hour news channels steal your joy, peace, and even your future with their reports of school shootings, job loss, economic "fiscal cliffs," terrorism, and other bad news. You don't have to live in fear and worry about your finances, your family, or your health. Stop wasting your days with worry, and eradicate this strategy of the enemy. It's time to step out in confidence and make the fearless life a reality.

The Spirit of Python

Have you ever wondered, "How does a psychic know things that no human being could know." Are you the least bit concerned with, "How does the psychic and medium do what they do?" Exposé: the search into the secret, shadowy world of psychics and necromancers answers these questions and others; questions such as what happens when the dead no longer sleep, or do fortune tellers and prophets operate under the same umbrella. This author also looks at the resource person for psychics and

necromancers. Contained in these pages is information you don't need to miss.

Authority Abusers

What happens when authority is abused? Imagine our nation without police officers. Imagine our lives without the protection of the badge. Imagine traveling without stop signs, traffic signals, and roadside warnings. Imagine no violations, no punishments--a grade school playground without rules, a government without leaders You might as well imagine the earth without gravity, because without authority, there would be chaos. But what happens when authority is misused? Or worse, what happens when spiritual abuse is written off as "authority"? As surely as the absence of authority produces chaos, the abuse of authority produces destruction. Countless people have fallen victim to the manipulation of power and authority. Lives have been warped forever, marriages have been destroyed, women and children have been abused, and husbands and fathers undermined within the boundaries of their home. Also, tragically, it's inside the church--where salvation, healing, freedom, and love should abound--that some of the worst authority abuse takes place. God's design for authority has been misunderstood, twisted, and manipulated, leaving innocent people as victims and prisoners of controlling, abusive situations. The wounded and weak have been preyed upon, and the guilty have been frightened into submission by leaders who use people to improve their own self-esteem or advance their careers. Wake up!!! This is

not God's design for the church--or authority. In this book, Bishop George Bloomer discusses: Gods true design for authority Why people abuse authority The effects of authority abuse in the home How to recognize an authority abuser God's restoration plan for the abused and the abuser The key to breaking free from the bondage of spiritual abuse

The Hitchhiker's Guide to Python takes the journeyman Pythonista to true expertise. More than any other language, Python was created with the philosophy of simplicity and parsimony. Now 25 years old, Python has become the primary or secondary language (after SQL) for many business users. With popularity comes diversity—and possibly dilution. This guide, collaboratively written by over a hundred members of the Python community, describes best practices currently used by package and application developers. Unlike other books for this audience, The Hitchhiker's Guide is light on reusable code and heavier on design philosophy, directing the reader to excellent sources that already exist.

Exposing Spiritual Witchcraft

Based on scriptural principles and stories this book will teach you how to activate and apply discernment in every area of your life. This book teaches how God many times used women because of their discernment throughout the Bible. It also shows that every woman has been given a special gift

(sometimes referred to as intuition). When a woman exercises this discernment, they will find help/insight in these areas: favor, the atmosphere of their home, children, husband, outside associations, protection, provision, recovery of what's been lost, timing, right place, right plan, right people, living a life that will be remembered

The Fasting Edge

Tourists to Ouidah, a city on the coast of the Republic of Bénin, in West Africa, typically visit a few well-known sites of significance to the Vodún religion—the Python Temple, where Dangbé, the python spirit, is worshipped, and King Kpassé's sacred forest, which is the seat of the Vodún deity known as Lokò. However, other, less familiar places, such as the palace of the

so-called supreme chief of Vodún in Bénin, are also rising in popularity as tourists become increasingly adventurous and as more Vodún priests and temples make themselves available to foreigners in the hopes of earning extra money. Timothy R. Landry examines the connections between local Vodún priests and spiritual seekers who travel to Bénin—some for the snapshot, others for full-fledged initiation into the religion. He argues that the ways in which the Vodún priests and tourists negotiate the transfer of confidential, sacred knowledge create its value. The more secrecy that surrounds Vodún ritual practice and material culture, the more authentic, coveted, and, consequently, expensive that knowledge becomes. Landry writes as anthropologist and initiate, having participated in hundreds of Vodún ceremonies, rituals, and festivals. Examining the role of money, the incarnation of deities, the limits of adaptation for the transnational community, and the belief in spirits, sorcery, and witchcraft, Vodún ponders the ethical implications of producing and consuming culture by local and international agents. Highlighting the ways in which racialization, power, and the legacy of colonialism affect the procurement and transmission of secret knowledge in West Africa and beyond, Landry demonstrates how, paradoxically, secrecy is critically important to Vodún's global expansion.

Fear Fighters

New York Times best-selling author Jentezen Franklin is back with a message that will inspire you to break free and reclaim a life of passion, purpose, and praise.

God has a dream for you, and if you will seek Him, He will reveal and guide you to it. Living your dreams isn't easy. It takes persistence and tenacity, along with faith in yourself, in God, and in the vision He has given you. In this small book, Jentezen Franklin gives you a powerful message of hope: you can do it! The question is not can you dream, but do you have the courage to act on it? Is there a dream in your heart? Has life buried it? Have others told you it's too late? Don't you believe it! Using personal experiences and examples from biblical characters who pursued their dreams to the end, Franklin shows you how to find and walk out your God-given vision for your life.

The Fearless Life

The first Biblical prophecy in Genesis 3:15 simply reveals a salient truth: There is a spiritual hostility and conflict between the righteous and the devil, the ancient serpent. God wants us to engage the ancient serpent in a battle. He wants us to use the authority He has given to us to smash the serpent's head! Unfortunately, so many people of God are bound by demonic forces but do not know how to be free. The proliferation of python and snake spirits in this end time has resulted in an epidemic of people living in spiritual bondage. These python and snake spirits have an aggressive appetite for destinies to swallow! War Against Python And Snake Spirits is an attempt to address this problem using two powerful strategies: knowledge of how the enemy works and fighting them

with acidic warfare prayers. Praying with knowledge of how the enemy operates gives a believer superior advantage over the enemy. As you pray with this book, you will see a great release of God's power as it blends the power of His Word with these two powerful strategies. The prayers in this book is a do-it-yourself kind of prayer, designed for you to see results. They are written to be simple, yet powerful. My dear, you can't wait to hunt down those python and snake spirits coiling and squeezing your life and family. Enough of that intimidation! Pick this Book and let's go-a-hunting!

The spiritual exercise of making decrees finds its precedent in both Old and New Testaments--the practice means simply quoting God's promises back to him, "reminding" him of what he has said. This kind of prayer is one of the most vital forms of intercession. In fact, the practice of decreeing God's Word not only builds our faith but transforms our lives. In this powerful and enlightening book, bestselling author and entrepreneur Patricia King helps readers grasp the power of inspired and finely tuned prayer. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

The Secret Strategies of the Enemy REVEALED Satan has always used the same schemes to bind, oppress, confound, and deceive mankind. What he is doing today is nothing new. The traps he sets for us are the same ones he set two thousand years ago. Satan's Dirty Little Secret exposes the two demons behind all of Satan's attacks. This prophetic revelation given in a vision to Pastor Steve Foss exposes how the enemy operates and shows you How Satan uses the same two spirits he released on Eve in the garden as gateways to every other form of demonic assault How

to successfully defeat these weapons and live free from the bondage of the enemy's attacks. The power of the Holy Spirit and God's Word can transform you into the image of God. Live in the confidence of God's love and power. You can triumph over Satan and accomplish everything God has planned for your life!

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

The Hitchhiker's Guide to Python

PYTHON SPIRITS WHAT ARE THEY? HOW TO IDENTIFY THEM AND DEFEAT THEM PERMANENTLY. The python spirit is the spirit of lies, deception and spiritual oppression of heaviness. It is also the spirit that empower people to practice divination, fortune telling, and visions that are not of God. In Genesis, it was this

spirit that possessed the serpent to lie to Eve, twisting the Word of God and ultimately worked towards creating enmity between God and man. That's the ultimate goal of the python spirit. It will lie to your mind and create all manner of thoughts against God. It will try to convince you that God does not really care, otherwise, why would you be going through the kind of problems you are going through. It will remind you how much you have prayed, fasted and sowed seeds and yet have nothing to show for it. It will try to point you to other believers who are suffering and try to get you to reconsider your absolute faith in God. When you begin to get this kind of dialogue in your mind, recognise that the spirit of python has come to oppress you. Bind it and cast it into abyss, in Jesus name. There are also other ways that the python spirit operate. In this book, we will explore how this spirit can possess and oppress people and then deal with the demon and her children with the WORD of God. Beloved, arise and enforce your complete deliverance. TODAY from anything that is not of God.

How to Try a Spirit

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.

Python for Unix and Linux System Administration

"Fletcher and Gardner have created a comprehensive resource that will be of interest not only to those working in the field of finance, but also to those using numerical methods in other fields such as engineering, physics, and actuarial mathematics. By showing how to combine the high-level elegance, accessibility, and flexibility of Python, with the low-level computational efficiency of C++, in the context of interesting financial modeling problems, they have provided an implementation template which will be useful to others seeking to jointly optimize the use of computational and human resources. They document all the necessary technical details required in order to make external numerical libraries available from

within Python, and they contribute a useful library of their own, which will significantly reduce the start-up costs involved in building financial models. This book is a must read for all those with a need to apply numerical methods in the valuation of financial claims." -David Louton, Professor of Finance, Bryant University This book is directed at both industry practitioners and students interested in designing a pricing and risk management framework for financial derivatives using the Python programming language. It is a practical book complete with working, tested code that guides the reader through the process of building a flexible, extensible pricing framework in Python. The pricing frameworks' loosely coupled fundamental components have been designed to facilitate the quick development of new models. Concrete applications to real-world pricing problems are also provided. Topics are introduced gradually, each building on the last. They include basic mathematical algorithms, common algorithms from numerical analysis, trade, market and event data model representations, lattice and simulation based pricing, and model development. The mathematics presented is kept simple and to the point. The book also provides a host of information on practical technical topics such as C++/Python hybrid development (embedding and extending) and techniques for integrating Python based programs with Microsoft Excel.

The Spirit of Python

In order to walk in the truth and avoid being deceived by the worldly philosophies and satanic attacks, we must try the spirits, according to the mandate of 1 John 4:1, to see if they are of God. Many believers are aware of this command but do not know how to try the spirits. Where do they begin? If you are one of these people, do not fret. This book can help! Mary Garrison has compiled a guide to the principal evil spirits at work in our world today, so that you can identify them remove them from your life and the lives of others. In this book, you will learn... The biblical names of the principal evil spirits The fruits of these spirits The tactics they use in the lives of believers Scriptural methods of overcoming them How to live in victory over the evil one Do not be deceived any longer. Learn how to try the spirits and walk in the victory Christ has purchased for you on the cross. You were made to walk in the truth, and that truth will set you free!

Fasting

Break free from this subtle destroyer and reclaim a life of passion and purpose. Pythons have an interesting way of killing their prey. They constrict it until it can no longer breathe, literally suffocating the life out of it. In the spirit realm Satan often works in the same way, slowly slithering his way into our lives, attempting to choke the very life out of us. The

python spirit can squeeze the joy out of your worship and prayers. It can pressure you to keep quiet when God wants you to speak up. And it can steal the peace of knowing that you belong to God. But there is a way to defeat him. You don't have to become his prey. The Spirit of Python helps you understand the strategies of this subtle destroyer, how he works, how to detect him, and how to break his hold from your life. You can learn to:

- Recognize the early warning signs that you are under attack
- Find the ways you may have unknowingly given him access into your home
- Bring God's deliverance and restoration into every area of your life

We are in the middle of an unseen spiritual war. God wants to break the coils of the serpent off of your life. He wants to help you breathe again.

War Against PYTHON and Snake Spirits

Everyone's Guide to Demons and Spiritual Warfare is a basic training manual for anyone who wants to understand spiritual warfare principles and know how to stand against satanic attacks. By incorporating demon-defying principles in our daily spiritual lives, we can learn to put the enemy to flight and move from bondage into freedom. The author also identifies several specific demonic spirits that attack God's people, and provides strategies for overcoming evil in our lives.

Unmasking the Jezebel Spirit

Are you tired of the setbacks and oppression? Do you have dreams, visions, and hear the voice of the Lord -

yet wonder where God is when Python is prevailing against you? Have you been learning his strategies and fighting back but to no avail? If yes, the spirit of python may have dominion. This is the missing piece of the puzzle that the spirit of python doesn't want understood. Complete with chapter review questions and a "My Heart's Desire" evaluation, this title offers the truth behind the spirit of python's identity, how and why he is successful against children of God, his strategies, and what it takes to come out from his DOMINION. Paula Cross was dominated by the spirit of python for decades despite walking with Jesus Christ since 1988. But the Holy Spirit walked her out of his dominion through visions and dreams and in 2009, after reaching the end of her rope with all the injustice and financial setbacks, Paula pressed God for deliverance from Python like never before! And now she is finally free! The story of her supernatural journey is disclosed along with the revelation of Python's real ID, how to put him out completely and powerful prayers that are sure to help anyone out of the spirit of python's grip.

The Spiritual Warrior's Guide to Defeating Jezebel

Gain victory over the spiritual forces of the deep! What are “water spirits?” Everyday people are feeling the effects of unseen evil forces, and yet, they don't know what's attacking them, let alone how to have victory. While many spiritual warriors are familiar with principalities and powers like Jezebel and witchcraft, few have heard of marine demons. Also called “water spirits,” these powers wreak havoc in places near bodies of water. From Python, to Leviathan, to Triton to Rahab and beyond, spiritual warriors are feeling the effects of water spirits but often don't know how to combat these evil forces. Bestselling author Jennifer LeClaire provides a revolutionary guidebook on how to prophetically recognize these spirits and engage in victorious warfare against them. This book will identify each water spirit, equipping believers to overcome them. Be prepared to: Recognize the symptoms of the spirit of Python and learn to break free from its squeezing stronghold. Detect the twisted

lies of a Leviathan spirit in your life and in contemporary culture. Overcome the spirit of Rahab that attempts to prevent you from crossing over into your new season. Unleash the power of Holy Spirit and partner with Him to change spiritual climates in your life and city. Discern the presence of these water spirits and become equipped with spiritual warfare strategies to defeat them!
