Chiefly a record of some of the ancestors of Philip A. Kalsch. He was born 29 Dec 1878 in Delphos, Ohio, to Peter Kalsch and Magdalena Cecilia Ley. He married M. Barbara Franck. She was born 7 Nov 1887 in Sharpsburg, Ohio, to Valentine Franck and Elizabeth Schneider. He died 11 July 1958 in Portland, Oregon. She died 10 Jun 1976 in Forest Grove, Oregon.

### Wild Wood

### Wildwood Road

From the acclaimed author of Blood Orange comes this unforgettable, mesmerizing tale of the power of friendships-and the secrets that can destroy them. . . It has been over thirty years since the words "Bluegang Creek" passed their lips. Because something that happened near that shady stream has shaped their lives-and haunted their darkest hours. Now, Liz can no longer bear the silence. What she is about to bring out into the light will test the very limits of friendship-and take all three women back to that fateful summer day when their innocence was shattered forever. . . A novel of friendship and forgiveness, Wildwood brings to life the lengths to which women will go to protect themselves-and each other-in the name of loyalty. . .and in the name of love. "The pull of family and career, the limits of friendship and the demands of love all come to vivid life in Wildwood." -Susan Vreeland, author of Girl in Hyacinth Blue "Resist the urge to turn the page to find out

what happens next. Linger, instead, to savor the skillfully crafted writing." -Judy Reeves, author of The Writer's Book of Days

Michael and Jillian Dansky seemed to have it all—a happy marriage, two successful careers, a bright future. But late one October evening, all that changed. Driving home from a Halloween masquerade, Michael momentarily nods off behind the wheel—and wakes to find nothing is the same. Standing by his car is the little girl he came within a breath of running down. She leads Michael to her “home,” an empty house haunted by whispers, and sends him away with a haunting whisper of her own: “come find me.” But in the weeks to follow, it’s clear that someone—or some thing—doesn’t want Michael to find her: ominous figures in grey coats with misshapen faces are following him everywhere. And then Jillian wakes one morning replaced by a cold, cruel, vindictive woman Michael hardly recognizes as his wife. Michael must now search not only for the lost girl, but for a way to find the Jillian he's always loved, and to do so he must return to where the nightmare began. Down an isolated lane where he'll find them, or die trying. From the Trade Paperback edition.

With love and loss tangled together, how was she to know where her life would lead? Allie Kirkland has always heard the call of her father's unfinished destiny. When she's offered a production assistant's job on a docudrama filming in the hills near Moses Lake, Texas, the dream of following in her director-father's footsteps suddenly seems within reach. The reenactment of the legendary frontier settlement of Wildwood is a first step into the film industry. A summer on set in the wilderness is a small price to pay for a dream. But in 1861, the real Wildwood held dangerous realities. Town founder Harland Delavan held helpless residents, including young Irish schoolteacher Bonnie Rose, in an iron grip. Mysterious disappearances led to myths and legends still retold in the region's folk songs. Eventually, the entire site was found abandoned. When filming begins, strange connections surface between Allie and the teacher who disappeared over a century ago, and everyone in Wildwood—including Blake Fulton, Allie's handsome neighbor on the film set--seems to be hiding secrets. Allie doesn't know whom she can trust. If she can't find the answers in time, history may repeat itself with the most unthinkable results.

High in the Transylvanian woods, at the castle Piscul Draculi, live five daughters and their doting father. It's an idyllic life for Jena, the second eldest, who spends her time exploring the mysterious forest with her constant companion, a most unusual frog. But best by far is the castle's hidden portal, known only to the sisters. Every Full Moon, they alone can pass through it into the enchanted world of the Other Kingdom. There they dance through the night with the fey creatures of this magical realm. But their peace is shattered when Father falls ill and must go to the southern parts to recover, for that is when cousin Cezar arrives. Though he's there to help the girls survive the brutal winter, Jena suspects he has darker motives in store. Meanwhile, Jena's sister has fallen in love with a dangerous creature of the Other Kingdom--an impossible union it's up to Jena to stop. When Cezar's grip of power begins to tighten, at stake is everything Jena loves: her home, her family, and the Other Kingdom she has come to cherish. To save her world, Jena will be tested in ways she can't imagine--tests of trust, strength, and true love. From the Hardcover edition.

### **Wildwood: An Immortal Tale**

Here, published for the first time in the United States, is the last book by Roger Deakin, famed British nature writer and icon of the environmentalist movement. In Deakin's glorious meditation on wood, the "fifth element" -- as it exists in nature, in our culture, and in our souls -- the reader accompanies Deakin through the woods of Britain, Europe, Kazakhstan, and Australia in search of what lies behind man's profound and enduring connection with trees. Deakin lives in forest shacks, goes "coppicing" in Suffolk, swims beneath the walnut trees of the Haut-Languedoc, and hunts bushplums with Aboriginal women in the outback. Along the way, he ferrets out the mysteries of woods, detailing the life stories of the timber beams composing his Elizabethan house and searching for the origin of the apple. As the world's forests are whittled away, Deakin's sparkling prose evokes woodlands anarchic with life, rendering each tree as an individual, living being. At once a traveler's tale and a splendid work of natural history, Wildwood reveals, amid the world's marvelous diversity, that which is

universal in human experience.

### **Wildwood Boys**

Uncle Will of Wildwood is a warm and humorous memoir of the nineteenth-century Bluegrass that recalls a defining period of Kentucky's past. It was a time of self-sufficient country estates when, as Thomas D. Clark writes in his introduction, "every Bluegrass farm gate was the entryway into a ruggedly independent domain." Wildwood was such a place, ruled by the affable Uncle Will of this classic book. Everything at Wildwood revolved around Will Goddard, who was "a cross between a hurricane and an electric fan." Uncle Will -- with his mad dashes into Harrodsburg for mowing-machine parts, his habit of leaving his stallion Black Joe unhitched, his irrepressible spirit, and his uncanny perception of the potential of a horse -- became a family and community legend. A celebration of Kentucky before the arrival of the modern age, Uncle Will of Wildwood fondly remembers life before the automobile, before radio and television, and before growing cities eroded the quiet and grand way of country life. Though Uncle Will's story is nearly two hundred years old, his lessons of self-sufficiency, community, and eccentricity are still pertinent today. In print for the first time since 1974, Uncle Will of Wildwood captures the riotous spirit of one Kentucky man and the flavor of country life.

### **A Legend in His Own Mind**

High in the Transylvanian woods, at the castle Piscul Draculi, live five daughters and their doting father. It's an idyllic life for Jena, the second eldest, who spends her time exploring the mysterious forest with her constant companion, a most unusual frog. But best by far is the castle's hidden portal, known only to the sisters. Every Full Moon, they alone can pass through it into the enchanted world of the Other Kingdom. There they dance through the night with the fey creatures of this magical realm. But their peace is shattered when Father falls ill and must go to the southern parts to recover, for that is when cousin Cezar arrives. To save her world, Jena will be tested in ways she can't imagine--tests of trust, strength, and true love. From the Hardcover edition.

### **Wildwood Ways**

Japanese nō theatre or the drama of 'perfected art' flourished in the fourteenth and fifteenth centuries largely through the genius of the dramatist Zeami. An intricate fusion of music, dance, mask, costume and language, the dramas address many subjects, but the idea of 'form' is more central than 'meaning' and their structure is always ritualized. Selected for their literary merit, the twenty-four plays in this volume dramatize such ideas as the relationship between men and the gods, brother and sister, parent and child, lover and beloved, and the power of greed and desire. Revered in Japan as a cultural treasure, the spiritual and sensuous beauty of these works has been a profound influence for English-speaking artists including W. B. Yeats, Ezra Pound and Benjamin Britten.

For fans of The Chronicles of Narnia comes the first book in the Wildwood Chronicles, the New York Times bestselling fantasy adventure series by Colin Meloy, lead singer of the Decemberists, and Carson Ellis, acclaimed illustrator of The Mysterious Benedict Society. In Wildwood, Prue and her friend Curtis uncover a secret world in the midst of violent upheaval—a world full of warring creatures, peaceable mystics, and powerful figures with the darkest intentions. And what begins as a rescue mission becomes something much greater as the two friends find themselves entwined in a struggle for the very freedom of this wilderness. A wilderness the locals call Wildwood. Wildwood captivates readers with the wonder and thrill of a secret world within the landscape of a modern city. It feels at once firmly steeped in the classics of children's literature and completely fresh at the same time. The story is told from multiple points of view, and the book features more than eighty illustrations, including six full-color plates, making this an absolutely gorgeous object. Supports the Common Core State Standards

James Rudolph Youngblood, aka Jimmy the Kid, is an enforcer, a "ghost rider" for the Maceo brothers, Rosario and Sam, rulers of "the Free State of Galveston," who are prospering through illicit pleasures in the midst of the Great Depression. Raised on an isolated West Texas ranch that he was forced to flee at age eighteen following the violent breakup of his foster family, Jimmy has found a home and a profession in Galveston -- and a mentor in Rose Maceo. Looming over Jimmy's story like an ancient curse is the specter of his fearsome father. Their ties of blood, evident since Jimmy's boyhood, have been drawn tighter over time. Then a strange and beautiful girl enters his life and a swift and terrifying sequence of events is set in motion. Jimmy must cross the border and go deep into the brutal and merciless country of his ancestors -- where the story's harrowing climax closes a circle of destiny many years in the making.

For fans of Diana Galbaldon's Outlander series comes a gripping and passionate new historical novel. Intrigue, ancient secrets, fairy tales, and the glorious scenery of the Scottish borders drive the story of a woman who must find out who she really is. Jesse Marley calls herself a realist; she's all about the here and now. But in the month before Charles and Diana's wedding in 1981 all her certainties are blown aside by events she cannot control. First she finds out she's adopted. Then she's run down by a motor bike. In a London hospital, unable to speak, she must use her left hand to write. But Jesse's right-handed. And as if her fingers have a will of their own, she begins to draw places she's never been, people from another time—a castle, a man in armor. And a woman's face. Rory Brandon, Jesse's neurologist, is intrigued. Maybe his patient's head trauma has brought out latent abilities. But wait. He knows the castle. He's been there. So begins an extraordinary journey across borders and beyond time, a chase that takes Jesse to Hundredfield, a Scottish stronghold built a thousand years ago by a brutal Norman warlord. What's more, Jesse Marley holds the key to the castle's secret and its sacred history. And Hundredfield, with its grim Keep, will help Jesse find her true lineage. But what does the legend of the Lady of the Forest have to do with her? That's the question at the heart of Wild Wood. There are no accidents. There is only fate.

### **Frigid**

From the raw clay of historical fact, James Carlos Blake has sculpted a powerful novel of both a man and an America at war with themselves. Here is the brutally honest story of free-spirit William Anderson, who is pulled into a savage conflict of state against state in the years leading up to the Civil War. When Bill suffers a catastrophic loss, a fury is unleashed in his anguished soul. He becomes the most fearsome guerrilla captain and earns a name that becomes whispered with reverence and terror: "Bloody Bill."

Felicity Stafford is struggling to come to terms with the death of her husband Connor - and a chilling post-mortem report: Con's blood fits no known human classification. And when a young man with the same dangerous charm as Connor enters her life, Felicity and her small daughter become threatened by the past: a past mysteriously entangled with an ancestral Derbyshire family who once guarded England's forests from a fearsome enemy.

### **Under the Skin**

Whitman Bowers has come to survey what was once the Langford estate, but is quickly drawn into the web of fear that surrounds the mountain. His old Army buddy Arn seems insane; claiming that the gloomy, thickly forested slopes of Wildwood conceal twisted creatures more beast than man -- until he displays the trophies that prove it. Arn's beautiful Indian wife Faren worships a snake god from before the coming of the white man, a god she sees returning to cleanse Wildwood of the white man's evil. Whit feels the mountain summoning him, drawing him toward horror and death. He is the focus for the evil that has been gathering strength since Mad Edgar Langford destroyed time and space and turned Wildwood into a mountain of terror from which there is no escape.

### **Chamber's Journal of Popular Literature, Science and Arts**

Originally published November 2013 For twenty-one-year-old Sydney, being in love with Kyler isn't anything new. They'd been best friends ever since he pushed her down on the playground and she made him eat a mud pie. Somewhere over the years, she fell for him and fell hard. The big problem with that? Kyler puts the 'man' in man-whore. He's never stayed with a girl longer than a few nights, and with it being their last year in college, Syd doesn't want to risk their friendship by declaring her love. Kyler has always put Syd on a pedestal that was too high for him to reach. To him, she's perfect and she's everything. But the feelings he has for her, he's always hidden away or focused on any other female. After all, Kyler will always be the poor boy from the wrong side of tracks, and Syd will always be the one girl he can never have. But when they're stranded together at a posh ski resort due to a massive Nor'easter, there's nothing stopping their red-hot feelings for each other from coming to the surface. Can their friendship survive the attraction? Better yet, can they survive at all? Because as the snow falls, someone is stalking them, and this ski trip may be a life-changer in more ways than one.

Discover the profound inspiration of the wild places. Author Cliff Seruntine and his family have lived their lives in the wilderness—homesteading, hunting, gathering, and treading lightly on the land while honoring its spirits. Let Cliff's graceful pen lead you to a deeper understanding of nature's magic as he shows you practical bushcraft skills and shares true stories of the sacred and enchanted to be found in the untamed natural world. In these pages you will read tales of bear and deer, of towering maples and mysterious brooks, of the spirit forces to be found outdoors. The best way to come to know nature is to become part of its adventure, so Cliff teaches traditional skills like wild food foraging and tracking as well as spiritual skills such as the ancient spirit journey. Blending the perspectives of a true naturalist with the depths of the shaman, Cliff Seruntine is a seasoned guide for your journey into The Wildwood Way.
