## **Fractured**

Gillian Flynn says, "Karin Slaughter is simply one of the best thriller writers working today." A small Georgia town erupts in panic when a young college professor is found brutally mutilated in the local diner. But it's only when town pediatrician and coroner Sara Linton does the autopsy that the full extent of the killer's twisted work becomes clear. Sara's ex-husband, police chief Jeffrey Tolliver, leads the investigation—a trail of terror that grows increasingly macabre when another local woman is found crucified a few days later. But he's got more than a sadistic serial killer on his hands, for the county's sole female detective, Lena Adams—the first victim's sister—want to serve her own justice. But it is Sara who holds the key to finding the killer. A secret from her past could unmask the brilliantly malevolent psychopath .. or mean her death.

## **Unseen (with bonus novella "Busted")**

"Brilliant plotting, relentless suspense," raved the Washington Post. "A new synonym for terror," crowned the Detroit Free Press. The critics agree: no one writes suspense like Karin Slaughter, whose thrillers featuring medical examiner Sara Linton and her ex-husband, police chief Jeffrey Tolliver, have propelled her to the top of bestseller lists the world over. Now Slaughter fuses her unmatched grasp of forensic science and a mastery of complex relationships in a riveting tale of faith, doubt, and murder. The victim was buried alive in the Georgia woods—then killed in a horrifying fashion. When Sara Linton and Jeffrey Tolliver stumble upon the body, both become consumed with finding out who killed the pretty, impeccably dressed young woman. And for Sara and Jeffrey, a harrowing journey begins, one that will test their own turbulent relationship and draw dozens of lives into the case. Lena Adams is one of them. A Grant County detective for years, she has her own reasons for being drawn to this case and a fierce drive to see justice

done. For these three people, who have each seen the darkest side of human nature, the body of the murdered girl is but the first in a series of shocking and sordid revelations. Now, as Jeffrey and Sara narrow the field of suspects, they must confront their own doubts and indiscretions, while Lena Adams sees herself reflected in the frightened eyes of a battered woman who may be the key figure in the case. As *Faithless* builds to a stunning and unforgettable climax, Karin Slaughter masterfully brings together strands of interlocking lives, family secrets, and hidden passions with one astounding truth: the identity of a killer who is more evil and dangerous than anyone could have guessed. **BONUS:** This edition includes an excerpt from Karin Slaughter's *Unseen*.

Who will be next . . . *THE SILENT WIFE* Investigating the killing of a prisoner during a riot inside a state penitentiary, GBI investigator Will Trent is confronted with disturbing information. One of the inmates claims that he is innocent of a brutal attack for which he has always been the prime suspect. The man insists that he was framed by a corrupt law enforcement team led by Jeffrey Tolliver and that the real culprit is still out there—a serial killer who has systematically been preying on women across the state for years. If Will reopens the investigation and implicates the dead police officer with a hero’s reputation of

wrongdoing, the opportunistic convict is willing to provide the information GBI needs about the riot murder. Only days ago, another young woman was viciously murdered in a state park in northern Georgia. Is it a fluke, or could there be a serial killer on the loose? As Will Trent digs into both crimes it becomes clear that he must solve the cold case in order to find the answer. Yet nearly a decade has passed—time for memories to fade, witnesses to vanish, evidence to disappear, and lies to become truth. But Will can't crack either mystery without the help of the one person he doesn't want involved: his girlfriend and Jeffrey Tolliver's widow, medical examiner Sara Linton. When the past and present begin to collide, Will realizes that everything he values is at stake . . .

Wresting the case away from the local police chief, Will and his partner, Faith Mitchell—a woman keeping explosive secrets of her own—are called into a related investigation. Another woman—a smart, upscale, independent young mother—has been snatched. For the two cops out on the hunt, for the doctor trying to bring her patient back to life, the truth hits like a hammer: the killer's torture chamber has been found, but the killer is still at work. In her latest suspense masterpiece, Karin Slaughter weaves together the moving, powerful human stories of characters as real as they are complex and unforgettable. At the same time she has crafted a work of dazzling storytelling and spine-tingling mystery—as three people, each with their own wounds and their own secrets, are all that stands between a madman and his next crime.

## The Good Daughter

NEW YORK TIMES BESTSELLER • With the bonus story “Busted” Karin Slaughter’s novels featuring detective Will Trent are utterly riveting and masterfully drawn. Unseen pits detectives, lovers, and enemies against one another in an unforgettable standoff between righteous courage and deepest evil. Will Trent is a Georgia Bureau of Investigation agent whose latest case has him posing as Bill Black, a scary ex-con who rides a motorcycle around Macon, Georgia, and trails an air of violence wherever he goes. The cover has worked and he has caught the eye of a wiry little drug dealer who thinks he might be a useful ally. But undercover and cut off from the support of the woman he loves, Sara Linton, Will finds his demons catching up with him. Although she has no idea where Will has gone, or why, Sara herself has come to Macon because of a cop shooting: Her stepson, Jared, has been gunned down in his own home. Sara holds Lena, Jared’s wife, responsible: Lena, a detective, has been a magnet for trouble all her life, and Jared’s shooting is not the first time someone Sara loved got caught in the crossfire. Furious, Sara finds herself involved in the same case that Will is working without even knowing it, and soon danger is swirling around both of them. In a novel of fierce intensity, shifting allegiances, and shocking twists, two investigations collide with a conspiracy straddling both sides of the law. Karin Slaughter’s latest is both an electrifying thriller and a piercing study of human nature: what happens when good people face the unseen evils in their lives. Make sure you read Unseen.”—The Huffington Post “Compelling . . . [Slaughter] balances a complex plot with believable twists while sensitively exploring her realistic characters' emotions and problems.”—South Florida Sun-Sentinel “An emotional roller coaster ride . . . fast-paced and edge-of-your seat . . . Slaughter is brilliant.”—Wichita Falls Times Record News “Superb and emotionally wrenching . . . The despicable nature of the crimes being investigated only serves to enhance Will’s innate goodness and humanity. Current series fans will be delighted, and newcomers to Slaughter’s work will find a new obsession.”—Library Journal “Slaughter plunges readers into the action from the get-go with her electrifying ability to write suspenseful, riveting confrontations between cops and criminals, all while deepening the backstories of her longtime series leads.
