Leah spends so much time with the Nolan's—just Erica and her handsome father, now, since Erica's mother died—that she's practically part of the family. When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself torn between her best friend and her best friend's father—but even she couldn't have predicted the shocking and bittersweet outcome of their affair. Warnings: This title contains erotic situations, lesbian sex, some very naughty taboo sex, sex toys, and also makes mention of pornography, salmon, amusement parks, chocolate covered strawberries, brownies (as well as girl scouts), plaid skirts, naughty uses for confessionals and some sacrilegious humor.

The Mystery Woman

"Must be slim, able to stand for long periods of time, and be impervious to the cold." The headline caught my attention. "Hours are negotiable, pay is minimal, clothing absolutely forbidden." The second line piqued my curiosity. "Able to hold your bladder and tongue, refrain from opinions or suggestions, and be the perfect living canvas." The third made me scowl. "Other attributes required: non-ticklish, contortionist, and obedient. Must also enjoy being studied while naked in a crowd." The fourth made me shudder. "Call or email 'YOUR SKIN, HIS CANVAS' if interested in applying." The final made my heart race. I should've kept scrolling past the advertisement. I should've applied for the boring receptionist job at minimum wage. I should've clicked on any other job where I got to keep my clothes on. But I didn't. I applied. My interview is tomorrow...

Fifty Shades of Chicken

This book consists of previously unpublished manuscripts by Vygotsky found in the first systematic study of Vygotsky's family archive. The notebooks and scientific diaries gathered in this volume represent all periods of Vygotsky's scientific life, beginning with the earliest manuscript, entitled The tragicomedy of strivings (1912), and ending with his last note, entitled Pro domo sua (1934), written shortly before his death. The notes reveal unknown aspects of the eminent psychologist's personality, show his aspirations and interests, and allow us to gain insights into the development of his thinking and its internal dynamics. Several texts reflect the plans that Vygotsky was unable to realize during his lifetime, such as the creation of a theory of emotions and a theory of consciousness, others reveal Vygotsky's involvement in activities that were previously unknown, and still others provide outlines of papers and lectures. The notes are presented in chronological order, preceded by brief introductions and accompanied by an extensive set of notes. The result is a book that allows us to obtain a much deeper understanding of Vygotsky's innovative ideas.

An important and influential figure in such far-flung geopolitical events as the Russian Revolution and the Spanish Civil War, Goldman is one of the most storied people of the 20th century. And her story, in her own inimitable words, is one of the great biographies, and one of the great personal histories of a turbulent era. Anarchist

and feminist EMMA GOLDMAN (1869-1940) is one of the towering figures in global radicalism of the late 19th and early 20th centuries. An early advocate of birth control, women's rights, and workers' unions, she was an important and influential figure in such far-flung geopolitical events as the Russian Revolution and the Spanish Civil War. Among her many books are *My Disillusionment in Russia* (1925) and *Living My Life* (1931).
