Brand new for 2015, The Rough Guide to Colombia provides in-depth, expert coverage of one of South America's fastest-growing destinations. Get the lowdown on street art in Bogotá and colonial architecture in Cartagena, stay on a working finca in the emerald green hills of the Zona Cafetera or hike through pristine jungle to reach a remote white sand beach in Tayrona National Park. Packed full of practical information on getting around and where to stay and eat, The Rough Guide to Colombia has more than 50 full-colour maps, along with suggested itineraries and regional highlights. The Rough Guide to Colombia authors have explored the mysterious tombs of Tierradentro, been white-water rafting in San Gil, trekked to Ciudad Perdida, the "lost city" of

the Indigenous Tairona, and soaked up salsa in Cali and Barranquilla so you can too. Or follow in the footsteps of Gabriel García Márquez, dive in Caribbean reefs off Providencia and motor along jungle-smothered waterways in the Amazon. Make the most of your trip with *The Rough Guide to Colombia*.

## **Macbeth**

Macbeth is one of Shakespeare's most performed and studied tragedies. This major new Arden edition offers students detailed on-page commentary notes highlighting meaning and theatrical ideas and themes, as well as a lengthy introduction setting the play in its historical, theatrical and critical context and outlining the recent debates about Middleton's possible co-authorship of some scenes. A comprehensive and informative edition ideal for

students and teachers seeking to explore the play in depth, whether in the classroom or on the stage.

DIGEST.

## **The Friend**

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.
