The Melancholy Hussar of the German Legion

Widely acclaimed for its warm humour, lyricism and honesty, as well as its accurate evocation of the thirties, *Ash on a Young Man's Sleeve* has become a sought after classic. In this delightful autobiographical novel, Dannie Abse skilfully interweaves public and private themes, setting the fortunes of a Jewish family in Wales against the troubled backcloth of the times - unemployment, the rise of Hitler and Mussolini, and the Spanish Civil War.

Comparative Linguistics in Southeast Asia

Life is tough and cheerless for Billy Casper, a disillusioned teenager growing up in a small Yorkshire mining town. Violence is commonplace and he is frequently cold and hungry. Yet he is determined to be a survivor and when he finds Kes, a kestrel hawk he discovers a passion in life. Billy identifies with her proud silence and she inspired in him the trust and love that nothing else can. Intense and raw and bitingly honest, *A KESTREL FOR A KNAVE* was first published in 1968 and was also made into a highly acclaimed film, 'Kes', directed by Ken Loach.

Ash On a Young Man's Sleeve

The Everyman's Library Pocket Poets hardcover series is popular for its compact size and reasonable price which does not compromise content. Poems: Donne contains Songs and Sonnets, Letters to the Countess of Bedford, The First Anniversary, Holy Sonnets, Divine Poems, excerpts from Paradoxes and Problems, Ignatius His Conclave, The Sermons, Essays and Devotions, and an index of first lines.

The Distracted Preacher

Though there is a contingent of linguists who fight the fact, our language is always changing--not only through slang, but sound, syntax, and words' meanings as well. Debunking the myth of "pure" standard English, tackling controversial positions, and eschewing politically correct arguments, linguist John McWhorter considers speech patterns and regional accents to demonstrate just how the changes do occur. Wielding reason and humor, McWhorter ultimately explains why we must embrace these changes, ultimately revealing our American English in all its variety, expressiveness, and power.

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her

doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains:

- A chronology of the play and the playwright's life and work
- an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created
- a succinct overview of the creation processes followed and subsequent performance history of the piece
- an analysis of, and commentary on, some of the major themes and specific issues addressed by the text
- a bibliography of suggested primary and secondary materials for further study.

A Journey is a short story by Edith Wharton. Edith Wharton (born Edith Newbold Jones; January 24, 1862 – August 11, 1937) was a Pulitzer Prize-winning American novelist, short story writer, and designer. She was nominated for the Nobel Prize in Literature in 1927, 1928 and 1930. Wharton combined her insider's view of America's privileged classes with a brilliant, natural wit to write humorous, incisive novels and short stories of social and psychological insight. She was well acquainted with many of her era's other literary and public figures, including Theodore Roosevelt. Wharton was born to George Frederic Jones and Lucretia

Stevens Rhineland in New York City. She had two brothers, Frederic Rhineland and Henry Edward. The saying "Keeping up with the Joneses" is said to refer to her father's family. She was also related to the Rensselaer family, the most prestigious of the old patroon families. She had a lifelong friendship with her Rhineland niece, landscape architect Beatrix Farrand of Reef Point in Bar Harbor, Maine. In 1885, at 23, she married Edward (Teddy) Robbins Wharton, who was 12 years older. From a well-established Philadelphia family, he was a sportsman and gentleman of the same social class and shared her love of travel. From the late 1880s until 1902, he suffered acute depression, and the couple ceased their extensive travel. At that time his depression manifested as a more serious disorder, after which they lived almost exclusively at The Mount, their estate designed by Edith Wharton. In 1908 her husband's mental state was determined to be incurable. She divorced him in 1913. Around the same time, Edith was overcome with the harsh criticisms leveled by the naturalist writers. Later in 1908 she began an affair with Morton Fullerton, a journalist for The Times, in whom she found an intellectual partner. In addition to novels, Wharton wrote at least 85 short stories. She was also a garden designer, interior designer, and taste-maker of her time. She wrote several design books, including her first published work, *The Decoration of Houses* of 1897, co-authored by Ogden Codman. Another is the generously illustrated *Italian Villas and Their Gardens* of 1904.

As the strains proceeded many of the listeners observed the chaired lady, whose back hair, by reason of her prominent position, so challenged inspection. Her face was not easily discernible, but the aforesaid cunning tress-weavings, the white ear and poll, and the curve of a cheek which was neither flaccid nor sallow, were signals that led to the expectation of good beauty in front. Such expectations are not infrequently disappointed as soon as the disclosure comes; and in the present case, when the lady, by a turn of the head, at length revealed herself, she was not so handsome as the people behind her had supposed, and even hoped—they did not know why.

He's going to find out what really happened. To Colin. And to his grandma, who just stopped coming round one day. It's a good job Kieran's a master of observation, and knows all the detective tricks of the trade. But being a detective is difficult when you're Kieran Woods. England's school system performs below its potential and can improve significantly. This white paper outlines action designed to: tackle the weaknesses in the system; strengthen the status of teachers and teaching; reinforce the standards set by the curriculum and qualifications; give schools back the freedom to determine their own development; make schools more accountable to parents, and help them to learn more quickly and systematically from good practice elsewhere; narrow the gap in attainment between rich and poor. The quality of

teachers and teaching is the most important factor in determining how well children do. The Government will continue to raise the quality of new entrants to the profession, reform initial teacher training, develop a network of "teaching schools" to lead training and development, and reduce the bureaucratic burden on schools. Teachers will be given more powers to control bad behaviour. The National Curriculum will be reviewed, specifying a tighter model of knowledge of core subjects so that the Curriculum becomes a benchmark against which school can be judged. Schools will be given more freedom and autonomy, the Academies programme extended and parents will be able to set up "Free Schools" to meet parent demand. Accountability for pupil performance is critical, and much more information will be available to aid understanding of a school's performance. School improvement will be the responsibility of schools, not central government. Funding of schools needs to be fairer and more transparent, and there will be a Pupil Premium to target resources on the most deprived pupils.

The importance of teaching

Freedmen occupied a complex and often problematic place in Roman society between slaves on the one hand and freeborn citizens on the other. Playing an extremely important role in the economic life of the Roman world, they were also a key instrument for replenishing and even increasing the size of the citizen body. This book presents an original synthesis, for the first time covering both Republic

and Empire in a single volume. While providing up-to-date discussions of most significant aspects of the phenomenon, the book also offers a new understanding of the practice of manumission, its role in the organisation of slave labour and the Roman economy, as well as the deep-seated ideological concerns to which it gave rise. It locates the freedman in a broader social and economic context, explaining the remarkable popularity of manumission in the Roman world.

The Duchess of Malfi

In *Feminine Gospels*, Carol Ann Duffy draws on the historical, the archetypal, the biblical and the fantastical to create various visions – and revisions – of female identity. Simultaneously stripping women bare and revealing them in all their guises and disguises, these poems tell tall stories as though they were true confessions, and spin modern myths from real women seen in every aspect – as bodies and corpses, writers and workers, shoppers and slimmers, fairytale royals or girls-next-door. ‘Part of Duffy’s talent – besides her ear for ordinary eloquence, her gorgeous, powerful, throwaway lines, her subtlety – is her ventriloquism . . . From verbal nuances to mind-expanding imaginative leaps, her words seem freshly plucked from the minds of non-poets – that is, she makes it look easy’ Charlotte Mendelson, *Observer*
