El-Hi Textbooks in Print

Cathy Duffy draws upon her many years of home education experience, both in teaching and researching curriculum, to bring us the most thorough and useful book available on teaching teenagers at home.

Wordly Wise 3000

A ten-year-old from Maine describes her trip to Russia at the invitation of Yuri Andropov after writing him a letter expressing her fears about a nuclear war.

Wordly Wise

This volume deals with the varied forms of shame reflected in biblical, theological, psychological and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor, sponsored by St. Mark's United Methodist Church in Lincoln, NE in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas,

comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

Wordly Wise 3000

These resource books for teachers provide strategies and tools to help your students get the most out of each vocabulary lesson. Divided into easy-to-navigate sections rather than holistic lessons (e.g. answer key, lesson review, lesson review answers), the first portion provides the teacher with the latest in vocabulary research, as well as strategies and techniques for teaching a sample lesson. The remainder of each book is divided into sections for the student book answer key, lesson review exercises (which may be used as extension/review/alternatives), lesson review answer key, tests, the test answer key, and a word list on the inside back cover.

Around the Pond

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s]

advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, *Ask a Manager* is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

Homeschooling Almanac 2002-2003

Wordly Wise 3000

Wordly Wise 3000 Book 9 AK 3rd Edition

Cammy and William follow an old deer path around the pond in search of blueberries. But unexpectedly they find a lot more. Clue after clue tells them what kind of animal has been there before and left its trace behind. Share their adventure in this handsome and informative companion to *In the Woods: Who's Been*

Here?andIn the Snow: Who's Been Here?

Wordly Wise 3000 Book 5

Telling the Truth

A solid vocabulary is crucial for testing, writing, and the precise communication required by daily life. Using a contextual approach, Wordly Wise 3000 students are taught to say unfamiliar words and identify any possible similarities to other words, use the word in context, break the word down into parts, and finally look it up. Three thousand carefully selected words taken from literature, textbooks, and SAT-prep books form the backbone of this vocabulary series. Each lesson begins with a Word List that includes pronunciations, parts of speech, and concise definitions, and uses each word in an interesting, contextual, sentence. Wordly Wise 3000, Book 7 is made up of 20 lessons with 15 words in each lesson. In Book 7, vocabulary instruction focuses on preparing students with strategies to unlock the meaning of words they will encounter in content area texts, literature, and high-stakes tests. Comprehension of the vocabulary words is facilitated and reinforced through Greek and Latin word studies with an

emphasis on prefixes, suffixes, parts of speech, synonyms, antonyms, and analogies. This third edition features the same word lists as the second edition, however, the passages and questions that follow the passages have been updated and assigned measures from The Lexile Framework for Reading. Wordly Wise 3000, 3rd Edition is not compatible with 2nd Edition teacher's guides and resources. Wordly Wise 3000, Book 7 contains 20 lessons; words taught in book 7 include: flabbergast, formidable, grueling, illustrious, lavish, maneuver, naive, perturb, replenish, smolder, ungainly, vulnerable and more. 216 two-tone pages, softcover.

Journey to the Soviet Union

Wordly Wise has been popular with educators for over 30 years. Students acquire important skills, such as using a glossary and dictionary. Activities and word games appear in each lesson to reinforce new words.
