of counterculture literature and one of the most influential--and controversial--documents of the twentieth century, *Steal This Book* is as valuable today as the day it was published. It has been in print continuously for more than four decades, and it has educated and inspired countless thousands of young activists. Conceived as an instruction manual for radical social change, *Steal This Book* is divided into three sections--Survive! Fight! and Liberate! Ever wonder how to start a guerilla radio station? Or maybe you want to brush up on your shoplifting techniques. Perhaps you're just looking for the best free entertainment in New York City. (The Frick Collection--"Great when you're stoned.") Packed with information, advice, and Abbie's unique outlaw wisdom ("Avoid all needle drugs--the only dope worth shooting is Richard Nixon."), *Steal This Book* is a timeless reminder that, no matter what the struggle, freedom is always worth fighting for. "All Power to the Imagination was his credo. Abbie was the best."--Studs Terkel
